

not all hopes fulfilled but proud facility - Breadner

User Group Suggests Refine Rec Complex Plan

The special meeting of council to deal with the multi-purpose recreational facility took place on Tuesday, April 1, but was too late for coverage in this week's edition of the Gazette.

Following the meeting of the Parks and Recreation Board which took place a week ago, the Gazette discussed the recommendations

of the board regarding the recreational facility with Coun. Barry Breadner. Mr. Breadner is the council representative on the Parks and Recreation Board.

Mr. Breadner told the Gazette that a lengthy meeting was held by the Parks and Recreation Board to discuss the "user group suggestions" and he said

that their input had refined the plan to include some of the suggestions.

Mr. Breadner explained that the Parks and Recreation Board and Mr. Don McCoy (of Phillips-Barratt) went through all the various "user areas" and discussed the suggestions from the user groups made at the meeting held March 19.

"We passed certain motions and made certain resolutions which will go to council to have council pass them or amend them and pass them on to the consultant so that he can draw up the proposal for the complex," Mr. Breadner said. He also pointed out that there had been some significant changes in the plan as

compared to the version which was presented to the "users" at the March 19 meeting.

Mr. Breadner told the Gazette that the Parks and Recreation Board's recommendation would be before the special meeting of council on April 1 and at that time would be either approved or amended as per the

feelings of the members of council.

POOL

"What is being proposed for a pool is 25 metre, eight lane, primarily a recreational pool - not a competitive pool," Mr. Breadner explained. He also pointed out

Cutting wood then bang - part of garage floor caves in

Mr. Dieter Schiller was out cutting wood at his residence on 177 Grandin Village Monday night - when suddenly the peace was shattered.

There was a loud crash from inside the garage of his condominium at about 8:30 p.m. When he went inside to see what the trouble was, his car had sunk about two feet into what was left of the front portion of the garage floor. The concrete slab was badly fractured and had keeled into a hole beneath the surface about three to four feet deep.

Mr. Schiller, a plumber, was able to get to work next day in his car after the vehicle was towed out from the cavity.

Mrs. Schiller said Tuesday that she is worried that the same thing might happen to the basement floor. She says that sometimes you can hear noises like water running beneath the floor.

Mrs. Schiller claims that her husband had been worried about the garage floor since the summer when he notified that it had settled from its original position. She also said that he had asked the developer Bramalea Wescorp Developments Limited to do something about the floor following the settling problem.

Mrs. Schiller said that she was mad about what has happened and said that nothing had been done about it.

A spokesman for the developer Bramalea Wescorp Gary Krol said that the firm was in the process of investigating the hole in the garage floor and they "were not glad that it had happened." He said that they were concerned about the incident and would have the hole

repaired commencing April 1 and "before the end of the week it will be as good as new." He said that no damage or injury was reported on the Schiller's car or to the homeowners.

Concerning the basement at the Schiller residence he said that there might be a possible leak there - but "six experts have checked the (basement) before and after Christmas and no leak has yet been found." He added

that there was no connection between this and the garage floor (caving in). The construction problems between the basement and the garage floor were not related, according to the developer.

Mr. Krol said that repairs to garage floors were not uncommon and that sometimes when backfilling was done it was difficult to get compaction.

Building Inspector for the

Kindergarten space should be adequate

Parents should not experience too much difficulty in enrolling children for kindergarten this year as the availability of places is expected to be adequate. This message became apparent at a St. Albert Creative School Society meeting held on Tuesday, March 25.

Mrs. Donna Read, president of the Creative School, said that with the amalgamation of the Creative and Protestant kindergartens, she expects to be able to accommodate 200 children.

The Co-operative kindergarten, which remains independent, will be able to register 50 children and the Parish kindergarten has 200 places at present. The Parish kindergarten is currently holding negotiations with the Provincial Government for another portable classroom which would enable it to increase kindergarten enrolment. To date it has not received any commitment but kindergarten officials are hopeful.

Mrs. Read briefed parents

in attendance at the Creative School meeting on the major concerns of the kindergarten and she explained why the meeting was called. The members present were asked to vote on two issues: Should the Creative Society and the

Continued on page 2.

SOME PEOPLE HAVE all the luck; and April 1 too. Half of the Schiller residence's garage floor at 177 Grandin Village caved in March 31 but luckily their car in the garage at the time of the collapse escaped damage and no one was hurt in the incident. Mrs. Dieter Schiller declined to stand in the deep cavity so Gazette reporter Alex Mirlin took her place, without coming to any harm.

Hospital strike action further delayed

A strike by 5,000 Alberta hospital workers which was set for April 1 has been postponed till April 3.

The strike, if it goes, will affect 54 service staff at the Sturgeon General Hospital in St. Albert.

Sturgeon General Hospital Administrator Cliff Keyes said Tuesday that he had no comments on the strike, but added that he had been notified that the province-wide strike of service staff would begin 7 a.m., April 3. The new notice had been

served by the secretary of Local 1335 of the Canadian Union of Public Employees March 31.

Reason given for the strike is that Alberta hospital workers are seeking parity with their counterparts in British Columbia. However, according to one report this demand has been dropped.

Al Cunningham, chief negotiator for 45 CUPE locals involved in possible strike action said last Sunday that the deadline for the strike was changed after the

Alberta Hospital Association challenged the legality of the union's strike notice.

The AHA negotiating for the hospitals employing the CUPE workers charged that the strike notice was not legal under the Alberta Labour Act because it has to stipulate a definite strike date, giving notice not less than two working days before the walkout.

Mr. Cunningham said the union had used the indefinite wording so that "if we were

Jim Kimball heads local Lions Club

The St. Albert Lions Club had their nomination meeting for their 1975-76 board of directors on Tuesday, March 18, in the Club Mocombo. Elected by acclamation were:

Jim Kimball, former 1st vice, parks chairman and leader of Kimball's Raiders - for president. Don Parkin, former 2nd vice, bulletin editor, on board of united service

clubs, and many committees - for 1st vice-president. Bob Praither, former 3rd vice, bylaws and constitution committee and work with hospital and senior citizens - for 2nd vice-president. Brian Jeffries, former president of Peace River Club - for 3rd vice-president. Jim Rutherford, former bartender and

work with air cadets - for secretary. Roger Garipey, grace sayer par excellence - for second year as treasurer. Stan McQuitty, former air cadet committee chairman - for director #1. Jim Murray, former chairman baseball committee for director #1. Tex Tyler, formerly on air cadet committee - for director

tor #1. Glen Ward, former president and star joke teller - for tail twister. Paul Gauthier, Mr. Fixit - for Lion Tamer.

Those running for director #2 (three to be elected) are Ed Dunik, Garry Johnson,

Hennig Larsen and George Simpson. Election day is April 15.

Those already elected and those who are chosen in April will officially take office on July 1 for one year.

adequate space

Protestant kindergarten amalgamate? Should the Creative Society and the Protestant kindergarten amalgamate? Should the kindergartens pursue the proposed contract with the St. Albert School District No. 6? Both questions were given an affirmative vote.

Mrs. Muriel Martin, assistant superintendent (elementary education), District No. 6, was present at the invitation of Mrs. Read. She explained that she could not speak on behalf of the trustees in connection with the proposed contract with District No. 6. Instead she elaborated on the assistance the school district has provided for the kindergartens so far. This help includes provision of space at Sir Alexander Mackenzie school

for the Early Childhood Services portable classroom, furnishings and janitorial services. Mrs. Martin said that audio-visual equipment has been made available for the kindergartens.

The assistant superintendent also explained the dilemma the school board faces when confronted with differing viewpoints on what role the board should take in connection with E.C.S. programs. Apparently, some viewpoints favoured the school board taking over kindergartens completely while others wished to see the retention of strong parental involvement. Mrs. Martin added that amalgamation of the two kindergartens would make it easier for the board to consider a contract and duplication of efforts would be avoided.

garage floor

Town of St. Albert Andy Kampen said Tuesday that the town had not been involved in the building stage at Grandin Village but that if there were any complaints then "I have to make an inspection and make recommendations." He said that the complainants could then go with the report to the developer. So far as he knew he said that the developer had promised that they would rectify damages and added that in three complaints that he had heard from

the Grandin Village development these had been of a minor nature - minor infractions. In one case there had been a report that joists were cracking but this he felt might have been caused by careless handling of equipment and letting it drop on the floor.

Mr. Kampen said he felt that in the present case the problem could have been caused by run-off after the floor had been constructed properly. "Some even collapse after they have been compounded," he added.

closer to a settlement, say on the night before we were to strike, we could extend the deadline and hold off for a day or two trying to wrap up negotiations.

"Now they've removed that flexibility."

He said a court hearing was set for Saturday morning, "but we don't want to fight in the courts on technicalities. We want to fight at the bargaining table for a just settlement."

As a result said Mr. Cunningham, the parties reached an agreement outside of court with the hospitals withdrawing the charges and the union withdrawing its strike notice and agreeing to serve the notice again.

Any strike action at the Sturgeon General Hospital will affect dietary, house-keeping, laundry and maintenance staff, as well as physiotherapy, supply personnel, clerical workers, laboratory aides and nursing orderlies.

Mr. Keyes pointed out that "we're trying to be ready" for the strike.

TOWN OF ST. ALBERT

Notice of Public Hearing

Council under Section 100(1) of The Planning Act 1970 R.S.A., as amended, has authorized the preparation of a development control bylaw for parts of the Town of St. Albert. The purpose of the bylaw is to control development during preparation of the General Plan.

A public hearing has been scheduled for the 21st day of April, 1975 at 7:45 p.m., in the Town Hall Annex.

The proposed bylaw may be examined between the hours of 8:30 a.m. and 4:30 p.m., at the Planning Department, Town Hall, St. Albert.

Written representations concerning the proposed bylaw will be received by the Municipal Secretary until 12 noon on Friday, April 18, 1975. Persons wishing to make oral representation may do so by appearing at the public hearing.

Robert L. Byron,
Municipal Secretary.

MOSQUITO CONTROL

TOWN OF ST. ALBERT

The Town of St. Albert Public Works Department will carry out a Mosquito Abatement Program in 1975.

Control procedures will commence in the third week of April and continue, as conditions dictate, until September.

Chemicals used for abatement procedures are only those recommended and approved by the Alberta Department of the Environment.

Application of chemicals will be carried out by helicopter and ground crews within the boundaries shown.

Inquiries regarding the program should be directed in writing to:

Community Hall used to fullest extent Meeting learns

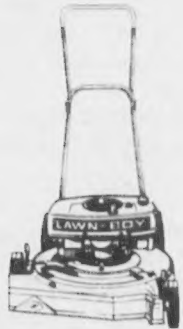

The St. Albert and District Community League held their annual meeting Monday, March 24, in the Community Hall. Mr. Terrault, president, gave a well detailed report of the League's activities during the year 1974. He pointed out to the members that the hall is being used to its fullest. Local clubs who use the hall at no charge are Guides and Brownies; Cubs and Scouts and Blood Donor Clinic. Other groups who make use of the hall at nominal fees are Air Cadets, Fish and Game Association, Keep Fit classes, Newcomers Club, Ray Rural Electrification, Alberta Wheat Pool, United Church and Rummage sales. Also many of our local clubs and St. Albert residents have been making use of the League's facilities for various functions, which has been very encouraging to see that the hall is used to its fullest capacity.

league purchased land at 18 St. Anne Street for a parking lot which is open to the citizens for downtown parking in the daytime. While it is servicing the league when functions are held at the hall, the league hopes it will alleviate the congestion of parking on main street during store hours.

The regular Wednesday night bingos have been well attended, and the funds realized were used for hall maintenance, helped make the payments and developing of the land purchased for the parking lot plus make donations to various groups.

DONATIONS

Donations in 1974 were made to minor hockey, peewee soccer club, swim club, H.C.V. Lancer hockey team, exchange students, Christmas hamper and figure skating. Also a perpetual trust fund has been set up with the St. Albert Credit Union for scholarships to the two school boards #3 and #6. The scholarships will be awarded to any Grade 12 student who qualifies, as tuition fees to further education.

NEW OFFICERS

New slate of directors elected for 1975 are Mr. H.

Terrault - president; Mr. A. Lesburg - vice-president; Mr. Nelson Savoie, Mrs. A. Roberts, Mrs. B. Dubois, Mr. Louis Sabourin, Mrs. A. Kluthe, Mr. Mike McNeil, Mrs. S. Sommers, Mrs. A. Kampen, Mr. P. Matesec and Mr. M. De Champlain were elected to the board of directors.

Council answers Hudson's questions

The questions put forward sometime ago by ex-councillor Bob Hudson regarding council and mayoral salary increases were answered at the council meeting held on March 17.

The questions were answered as follows:

1. Was the meeting called November 19, 1974, called by the mayor?

Ans: No.

2. Were all the councillors present?

Ans: Yes.

3. Were the figures regarding salary presented at the meeting?

Ans: Yes.

4. Was there an indication of support for the proposed increase?

Ans: Coun. Breadner suggested that the indication of support was made public at

Construction remains well below the rate set one year ago according to the building inspector's report included in the monthly report. The building inspector reports that six permits were issued during the month of February 1975 while 60 permits were issued during February 1974.

The building inspector also reports two garages, 11 improvements, 2 single family dwelling extensions, and two industrial permits during

the month of February.

To date in 1975 there have been 14 single family dwellings (130 to the same date last year), 23 improvements (21 last year), six garages (none noted to date last year), one carport (none noted last year), two single family dwelling extensions (none noted for the same period last year), and two industrial (none to the same date last year).

FIRE DEPARTMENT

The Fire Department received nine calls in the month of February bringing the total number of calls to the end of last month up to 15 in the Town of St. Albert.

Two calls were for building fires, two were emergency calls, and five were "other." The estimated fire loss in the month of February was \$9,000 bringing to date the figure to \$10,500.

The volunteer strength of the fire department is down three from January, sitting at 13 men. The Fire Chief expressed concern regarding the low level of manpower.

POLICE DEPARTMENT

There were 33 motor vehicle accidents during the month of February which brings the to date figure to

62. The total of persons injured to date is eight, five of these were during the month of February.

The police report indicates that 25 highway traffic charges were laid, four parking violations, one theft of a motor vehicle, five thefts, seven instances of breaking and entering, four impaired driving, six willful damage, and eight liquor control act. The total complaints received in February were 207 bringing the to date figure to 427.

ANIMAL CONTROL

The animal control and protection officer, Ross Tuppiling, reports that 120 licenses were issued in February and 293 have been issued to date. The license fees collected in February totalled \$920 with the amount collected since the beginning of the year \$2,773.

Twenty-five dogs were picked up by the control officer in February along with eight cats. Sixteen of the animals were returned to owners and 14 were destroyed.

The animal control officer travelled 1,252 miles in February.

Fines levied totalled \$290 and impounding fees were \$65.

Arena closed - blatant disregard for people

For the past few weeks we the citizens of St. Albert have discussed proposals for a new recreation facility.

What is the point of even contemplating a new complex when our antiquated facilities such as they are; are not readily available to the public and taxpayers?

This past weekend showed the most blatant disregard for the people of St. Albert that I have ever seen.

The arena, the focal point of all ice activities and the only ice facility now available because of the short sightedness of someone in the town hall was closed for three days over the weekend. I attended three arenas within a 50 mile radius of St. Albert and none of these were closed; so

where does our hierarchy get off with locking us out of our arena?

The argument I will get for the arena being closed will probably be: didn't I get or want a holiday? Yes, I did get and also wanted a holiday, but, if I was told to work I worked (possibly with part time and a half or double time) or went looking for a job Monday morning. The town employees wouldn't be looking for a job until Tuesday because they didn't work Monday by the obvious closure of the arena.

Three weeks ago the outside rinks were closed because we had four or five days of above normal temperatures. The day after they closed it was cold enough to

flood the ice and has remained so since.

Mr. Al Findlay, a division head for the Kinsmen Minor Hockey Association approached the Recreation Board or more directly Mr. L. Martineau and proposed that a group of minor hockey coaches would be only too glad to donate the time to flood two outside rinks and open only the dressing rooms and would assume total responsibility for there use. After a weeks deliberations we were refused with the sad excuse that the light bulbs had been removed.

Yes, gentlemen, you can

come up with excuses such as unions and insurance problems, but search your conscience and try to justify locking out approximately 1,300 hockey players, 150 figure skaters, 100 - 150 power skaters and only you know how many people attend public skating.

It is a simple matter as has been told in many other instances. If you can't do the job then we should get someone who can. Think about it gentlemen, and if I sound bitter it is only because I am.

Mel Wakefield,
Mission Park.

The Golden Anniversary Royal Canadian Legion

The Royal Canadian Legion will be celebrating its GOLDEN ANNIVERSARY during 1976. The theme of the anniversary will be -- "Old Torch - New Flame". To salute the golden anniversary the tulip growers of The Netherlands, in their perpetual remembrance of what Canadians contributed to the liberation of their country, have created a ROYAL CANADIAN LEGION TULIP - A Darwin variety -- of Golden Yellow color.

This registered golden tulip is available only through Royal Canadian Legion branches, and will be a living symbol of the Legion in the spring of '76. Along with the puppy as a symbol, or remembrance, the tulip is meant to give "burst" to the "New Flame." It is the intention of the Royal Canadian Legion to see Canada bloom a golden yellow from

coast to coast in the spring of 1976. A golden opportunity for Canadians to show the world our quest for peace and tranquility.

We would like to see St. Albert in full bloom, too. St. Albert Branch 271 as well as making these tulips available to its members, is offering them to the public, to organizations, churches, government and community groups, who would like to take part in this plan of beautification.

At a non-profit cost of only \$16 per hundred bulbs - orders may be placed, with your cheque, with the Branch Secretary-Treasurer, P.O. Box 179, St. Albert not later than April 15, 1975, in order that growers can prepare for delivery in time for September.

Your participation in this project is invited, to achieve your own particular beautification planning.

Wally Swenarchuk,
Secy/Treas.
St. Albert Branch 271,
R.C.L.

Beth: "Did you know that it takes three sheep to make one sweater?"
Marnie: "No, I didn't even know they could knit."

COMMENT

'Concerned Citizen' has one-sided view on pool

During the past months I have been reading the "pros and cons" of the various facilities to be included in the proposed Recreational Complex. After attending the meetings I came away more enlightened by the requirements of other "user groups."

As a mother of two children I am concerned with the lack of our present facilities and the urgent need to fill this gap with an all round "Public Facility." It distresses me to see our children begin their physical deterioration at the ripe "old age" of six; at which time Johnny and Janey are introduced to the regimentation of our "sit-down" society. What upsets me even more is that this physical deterioration also influences our mental capacity and causes many of the emotional stresses which are so classic to our advanced society.

With these concerns in mind I have talked to many of our friends and neighbours and have repeatedly heard them express our need for a complex which could be used for many types of exercise.

I was pleased to see, in the March 26th issue of the Gazette, the expressed needs of many other concerned groups and private citizens. It is fantastic to see people becoming involved in this issue. I was concerned, however, by the full page ad in that issue which expressed the opinion of "A Concerned Citizen" regarding the proposed site of the swimming pool. It was indeed one-sided and insulted the intelligence of the average reader by suggesting:

- 1) there are only two possible sites of the pool:
a) at Paul Kane High School Annex
b) Rodeo Grounds Site
- 2) these facilities, if attached to the Recreation Complex would be unused by the public from 9 a.m. to 4 p.m. and over used from 4 p.m. to 11 p.m.
- 3) that the facility would only serve the purpose of being a "White Elephant" for Town Councillors to point to with pride
- 4) that in the main complex it would be unused and therefore "unnecessary" by the public and could therefore be used as an "aquarium"?
- 5) that it would be unsafe and inaccessible to go to by the general public on that site
- 6) that if attached to Paul Kane it would be used by all of the school students without having to bus any of them

If, in our great wisdom, we attached it to Paul Kane High School we would solve all our problems because:

- 1) all of the public would use it to its maximum because the schools could use it daily, and miraculously no one would have to be bused.
- 2) if located in the South East section, we could walk to the pool and never have to worry about considering other means of transportation.
- 3) it would be a beautiful addition to Paul Kane High School. In concede this point but it would be beautiful no matter which facility it is attached to.

Then the ad asked me to find any disadvantages to attaching the Public Pool to a school (however it implied there are none).

Perhaps our decision makers could consider these points:

- 1) During our cold months of the school year (ie. October to April) even a short walk with wet hair and damp bodies could be dangerous to the health of our youngsters, from the age of 6 to 18, as the risk of catching colds or pneumonia would be higher.
- 2) As we are looking at a proposed 4.3 million dollars expenditure, the facilities will be a beautiful addition to our town no matter where it is located. I will be proud of it.
- 3) It is impossible to locate a pool in every district of St. Albert. It would be more centrally located if it were placed in the Rodeo Grounds or beside the present arena.
- 4) Through proper scheduling, the pool could be used by the schools on a basis of two or three full-days per week and still have time available for "public users."
- 5) There are many pre-school children, mothers, fathers on shift work, retired persons and senior citizens to be considered - as many of them would like to be able to use the pool and adjacent facilities during regular school hours.
- 6) Regardless of where it is located some type of transportation will have to be found for the majority of our population: as 3,700+ students represents approximately one fifth of our total population of 20,000.

Each citizen is capable of reaching his own decision on this matter and given the information he can recognize his own priorities.

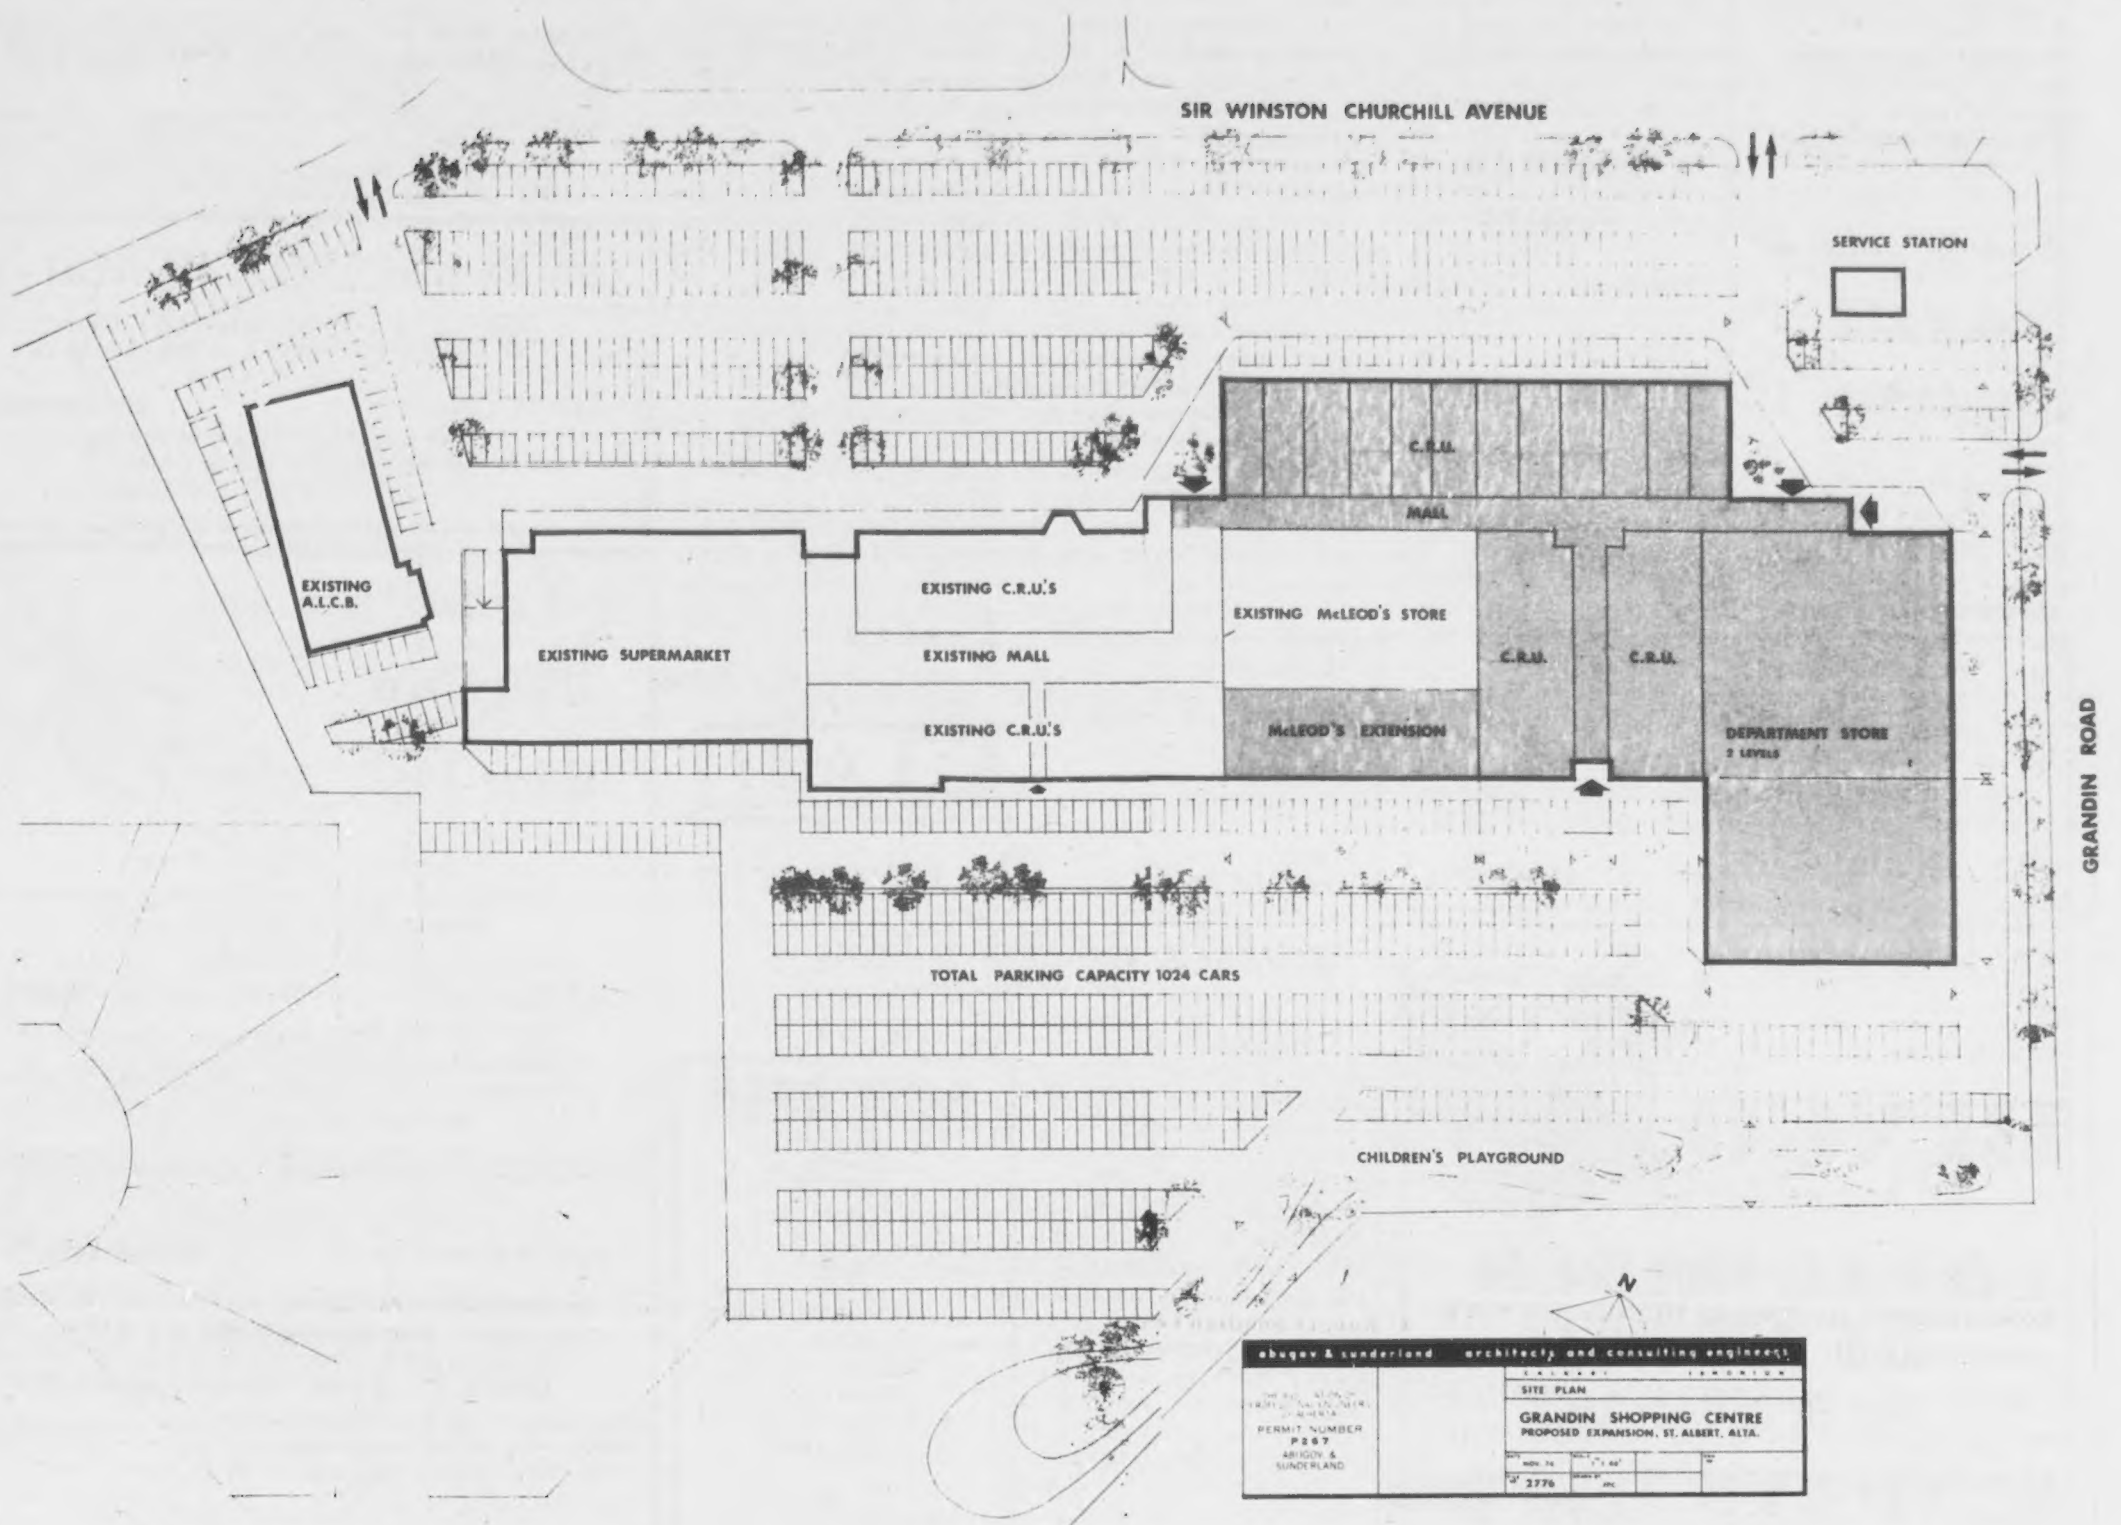

It is indeed distressing that the "Concerned Citizen" seems to feel that he alone, has the right to speak for the entire School Boards by using their name to endorse his own opinion.

I am truly sorry that I am not in the financial position to rent a full page ad to express my own feelings on this subject. I am sure many citizens would like to do the same.

Mrs. Arlene Fletcher,
Sturgeon Heights.

Proposed Extension

of Grandin Shoppers' Mall

Alternatives could be found to a mammoth Regional Shopping Centre in St. Albert

What do the residents really want?

The proposal of Mr. Leon Kryger for extending the Grandin Park Shoppers Mall is illustrated in this sketch. The building presently housing Grandin Park Furniture and other units would be torn down, and the present parking lot levelled and extended.

MAJOR DEPARTMENT STORE

The enlarged Mall would provide for a two-level major department store of 80,000 square feet at the east end, and new commercial units would be added facing the mall area.

PARKING

The two parking areas would take 1,024 vehicles, with access to the rear parking from the most westerly access to the Mall.

REAR AREA

A play area for children would extend behind the Mall - away from traffic, and the entire area would be cleaned up and lighted in an effort to control tendencies of young students to gather at shopping centres and later get into various kinds of mischief. A Par 3 golf course is another possibility being considered.

COUNCIL APPROVAL REQUESTED

A land exchange is required to allow this proposed development of Grandin Shoppers Park Mall. Mr. Kryger would like St. Albert council to exchange the 2.3 acres he owns at the rear of the present centre at the west end, for a similar amount behind the east end for the major department store. He would then purchase the remainder needed for the department store and rear parking.

VIALE CENTRE NEEDED

The major department store would give Grandin Mall the most important component needed to ensure a viable shopping centre in which each lessee has a realistic opportunity to build a good business: good traffic flow through the length of the mall and centre where shoppers will be able to find a good proportion of their weekly shopping needs.

TIE WITH DOWNTOWN CORE

The Grandin centre is also concerned that the mall - and the businesses on Churchill and either side of Grandin tie in with other existing businesses on Perron, St. Anne and St. Michael - the historic centre of St. Albert.

The plan which has been kicked around for the past five years or more - to extend St. Anne Street and give needed access for such a tie-in between Grandin Mall and the downtown core - is a further heeded component which will require discussion with council in the matter of the enlarged mall.

ANOTHER FOOD STORE

St. Albert has for quite some time been in dire need of a competitive major food store. There is such a firm prepared now to come into St. Albert with a free standing store about the size of Safeway. This would be a boon to the downtown core and also compatible with the proposal for the enlarged Grandin Mall. A second food market downtown would also be of benefit to Town Council, which owns land downtown - it would cause these lands to increase in value. And it would make the downtown core a more viable shopping area.

SOME QUESTIONS NEED ANSWERS

A shopping centre the size of Londonderry as is being proposed to council must generate 25 million dollars worth of business per year, estimated Gerry Belke, mall manager, which would require a minimum of 65,000 population in the area serviced. What kind of growth are the proposed regional shopping centres foreseeing? What about the affect on building viable business districts in Morinville, Bon Accord and Gibbons? Did people move to St. Albert to have a giant shopping centre. Or did they move out here to get away from the big city scene? The new ring road will make Londonderry, Northgate and Westmount only minutes away.

Would St. Albert be better served with strengthening our existing business districts and planning for another smaller shopping centre soon to serve the newer areas?

Is the large tax assessment the only concern? Could St. Albert face bankruptcies similar to Edmonton if a giant regional shopping centre goes in?

Perhaps the Grandin Park proposal (which was originally planned much as it is laid out here back in 1963, said Mr. Belke), together with the downtown food outlet, should NOT be the forgotten alternative for St. Albert now. These proposals certainly need several years lead time to keep the present businesses in St. Albert healthy, including the neighborhood plazas.

Breadner reluctant without budget

Councillor Barry Breadner has expressed concern at several council meetings over making financial commitments without having a capital budget as a point of

reference.

Mr. Breadner told the Gazette that he anticipates that the budget will be struck within a couple of weeks or certainly before the end of April. He stated that he feels it imperative to have the budget as a guideline in making decisions on financial commitments to keep a notion of the year's requirements in perspective.

On several occasions when council has been asked to grant money to service clubs or organizations Mr. Breadner has voiced this point. He told the Gazette that in most cases a worthy cause was at stake but hasty decisions to grant money made him reluctant to agree with a granting of money.

"I would like to have the budget early in the year," Mr. Breadner says, "so that I know that I have something to hang my hat on when I'm making my decisions on money."

WE THINK YOU ARE LOOKING AT US!

In a recent study by a well-known research company it was determined that you, the public, wanted to find a family pharmacist whom you could relate to on personal terms. You know, like in years past, where the local pharmacist was someone with whom you could talk.

We try very hard in our pharmacy to maintain just that type of relationship with our customers (we think of you more like friends). Whoever is on duty filling prescriptions is always available, really wants to say a friendly hello, is ready to answer ethically any questions, and to help in any way that is possible. Come in and see for yourself.

OPEN MON. - FRI. - 9 A.M. - 6 P.M.
SATURDAY 9 A.M. - 1 P.M.

Margaret Shuttleworth passes at 59 years

Mrs. Margaret Shuttleworth of Bellevue Crescent passed away on March 30, the victim of cancer at 51 years.

Pastor G. Smith officiated at funeral services held this morning at the Roy and Owen Chapel of Chimes, and interment followed in the St. Albert Cemetery.

She leaves to mourn her loving husband, Harry, one son, Robert, her father, Mr. Alfred Foster, Calgary and two sisters, Mrs. Ruth Harding of Calgary and Mrs. Mary Like of Edmonton.

Mrs. Shuttleworth spent sometime in St. Albert in her youth and was then a resident of Calgary for 27 years before the family moved to St. Albert in 1971.

She was a member of the Pioneer Chapter #135 of the Order of Eastern Star and members of the O.E.S. served luncheon following

the funeral service.

How St. Albert Constituency voted

Progressive Conservative for the St. Albert constituency Ernie Jamison came out tops in the provincial election March 26 with a

clear win over three other candidates all of whom lost their deposits.

Fifty-one per cent of the eligible voters went to the

polls and Mr. Jamison polled 55.9 of the vote.

Following is how the candidates fared. Ernie Jamison (PC) 6,525 votes; Keith Everitt (Socred) 2,211;

Earl Toane, (NDP) 1,609 and John Bakker (Liberal) 1,473.

Compared with the 1971 provincial election the Liberals show another drop from the '71 figure of 1,660 votes

cast while the NDP picked up to 1,609 votes from the figure of 878 four years ago. The Socreds show a drop from the 3,592 votes polled in '71 while the PCs upped their

votes from the 4,623 cast four years ago.

Following is a poll-by-poll breakdown of how the voters at each polling station in the constituency marked their ballot sheets.

AROUND TOWN

Taped to the window of the Gazette office one morning this week was a tear sheet - the one page ad by "Concerned Citizen" supporting a swim pool on the Paul Kane site. The simple message in black marking pen written across the page read: "It's about time some facility was provided for the taxpayers on the NORTH SIDE of the river."

The Glen Ward family of Grosvenor Blvd., were among those stranded in Calgary by the Sunday night storm.

Friends of Mel Knutson will no longer be able to drop in on him on Gainsborough Avenue. However Mel will be quite a bit closer to his work in business with his father, Mr. and Mrs. Arnold Knutson have moved to a

Friend: "Remember this, John A., as the first Prime Minister, you won't be able to say you inherited your problems from somebody else."

farm southeast of New Sarepta. In the initial stages anyone calling on Mel in his new digs on the south side might be prudent to take his own chair.

Gerald and Ethel Ward of Forest Lawn and boys are in Victoria this week visiting with former neighbours in St. Albert. Bobby and Judy Knowles and family. A card written Thursday said they were enjoying the beautiful dry weather and lovely clean streets. We are wondering how Sunday's storm upset that scene.

Ladies who would like to sing four part harmony - Barbershop style, are invited to join the Gateway Chapter of Sweet Adelines Inc. every Tuesday evening at 7:45 p.m. at Augustana Lutheran Church, 9901 - 107 Street, Edmonton. Further information may be obtained by phoning 459-8656 or 459-7496.

Thank you

MAY I TAKE THIS OPPORTUNITY TO THANK ALL THE WONDERFUL WORKERS AND FINANCIAL SUPPORT THAT I RECEIVED DURING THE PROVINCIAL ELECTION. MAY I ALSO CONGRATULATE PREMIER PETER LOUGHEED ON HIS OVERWHELMING VICTORY IN THE ST. ALBERT CONSTITUENCY.

Rec Complex Plan

Continued from page 1.

that the pool would have a diving capability, maximum shallow water, and a two foot deep wading pool in association with the main pool.

Mr. Breadner stated that it had been suggested to Mr. McCoy that something different could be done with this wading/training pool in terms of an innovative design.

"It will be a fair size - about 20 x 50 feet," he said.

Mr. Breadner noted that in total, a bit more than the ordinary facility was being offered. "We think," he said, "we're providing with this recommendation (if adopted) a good recreational pool." Mr. Breadner said that an additional recommendation of the Parks and Recreation Board was for the provision of 300 seats in the pool area.

ARENA

"The Parks and Recreation Board's recommendation would be to scale the arena down from what was proposed," Mr. Breadner said.

What had been proposed was a seating capacity of 2,400 with expansion capability to 3,000. Mr. Breadner noted that the Parks and Recreation Board recommends that the arena have a seating capacity of 2,000 with a capacity to expand to "around 2,500."

Mr. Breadner reported

WHITEFACE SEZ

I suggested to my friend the butcher, that he hang a sign above the meat counter that says, "Watch your language."

that the upholstered seating had not been recommended for a change and the plan would still include this style of seating.

"We discussed this at considerable length and the cost difference is \$15 per seat or something like \$35,000 in total," Mr. Breadner said, "and Mr. McCoy felt it would be foolish not to go with the better seating. I would tend to agree."

Coun. Breadner noted that the architects had "some new thoughts" at the Rec. Board meeting and noted how the arena can be curtailed off so that one end can be used for performances by employing a portable stage.

"We recommended to Mr. McCoy that he plan the seating and allocate in a way that a second ice sheet could be provided at some future time," he added.

Possible activities slated for the second ice sheet could be figure skating, recreational skating, or perhaps a curling rink. Mr. Breadner said that he found that a curling rink was an interesting possibility.

The "better ice plant" planned for the proposed facility will have the capability of providing ice all year round. Mr. Breadner said, and while he was not convinced that this is what would be done, he said that he foresees figure skating schools and hockey schools being offered during the summer.

"Something else we voted upon at the Recreation Board meeting was a portable floor," Mr. Breadner said. This is similar to what Leithbridge has put into their Sportsplex, would cost about

\$100,000 and permits one to put a floor on the ice surface in approximately four hours.

"It is a hardwood, birch floor, in segments and you can play basketball, or badminton or that sort of thing on that surface," he stated.

COSTS

Mr. Breadner was asked if the 'economics' of the site alternatives had been discussed by the Recreation Board and he said that the matter had been discussed but no recommendation had resulted. He said that the ground rules are not clear yet.

"There is lots of conjecture but we have not received a written commitment yet," he said, "we would be foolhardy to say it is going to cost X dollars to split it or keep it together."

Mr. Breadner says that there are some rough guidelines but the "definitions" are not clear. He said that his own figuring indicates that there would be a third of a million dollars difference if the facility is split.

"That is including the extra operating costs, the extra capital outlay, and \$15,000 per year for school busing," he said.

"If you keep it all together," Mr. Breadner feels, "it will cost about a third of a million less than if you split the facility."

Mr. Breadner pointed out that the "split" facility would cost more to operate and more to build in the first place.

"What it really means though," he explains, "is that you can take that money

and spend it. If you split the facility then you don't have that money, the present monies especially, to spend elsewhere. Mr. Breadner pointed out that it could mean a sacrifice of some aspect of the facility.

Mr. Breadner says that his figuring is based on the grant loss which may or may not take place. He said that the definitions regarding the grant structure were not clear and therefore he speculated that the loss would be present.

ARTS AND CRAFTS

Mr. Breadner stated that considerable discussion had been given by the Recreation Board regarding the space allocation to arts and crafts.

He recalled that the users concerned with arts and crafts had complained that the conceptual proposal had about 2,000 square feet which was not much more than they have at present.

"The Board will be recommending 4,400 square feet, more than twice as much as they have at the present time."

He said that approximately half of that area will be allocated for ceramics. Mr. Breadner also said that the remaining area will be divided up into smaller rooms for other crafts. He hoped that this user group would be happy with the extra space allocation.

RACQUET SPORTS

Four racquet courts are proposed says Mr. Breadner, a change from the two courts provided in the preliminary plan.

"They are not as expensive as we had anticipated - \$40,000 a piece, so you have \$160 thousand set aside for racquet sports."

PERFORMING ARTS

"The other area which we are committing a fair bit of money to is a theatre. We are commencing a theatre with 300 seats - that is quite a departure from that conceptual idea which had a small theatre with around 100 seats," Mr. Breadner says.

Mr. Breadner noted that there had been concern on the Rec. Board regarding the demonstrated need of the theatre which would cost about 1/2 of a million. He stated that he personally supported the idea of the theatre because he feels that there is a need in this community for this type of activity.

Mr. Breadner said that he could see a non-profit association such as the Theatre Society using the facility for their activities.

STACKING FACILITIES WOULD COST AS MUCH

Mr. Breadner pointed out that although one of the user

groups had suggested "stacking" the facilities it had been discovered that it would cost more to construct the facility in that manner as it would cost to build another building.

HOPES FOR FALL START

Mr. Breadner stated that it is the "fervent hope" to get the project underway in the fall of this year. He explained that start and finish of the project would be contingent on whether or not the tendering route or project management route was instituted.

"If we go by the tendering procedure," Mr. Breadner recalled, "we would not come on stream until early 1977."

Mr. Breadner said that if the project management route was followed the project could start in September of this year with completion about one year later. He said that if tendering was used there would be about a three month lag and the architect feels that the construction would not commence until January 1976 with completion about one year later.

TOTAL COST OF PROJECT

Mr. Breadner said that the recommended facility from the Parks and Recreation Board represented a \$4.5 million dollar project. This figure has been the sum noted as the "preferred"

price range for the project.

Mr. Breadner said that it would be up to council to "whittle" that figure down if they so desired. He said that he did not feel that any aspect of recreation had been omitted," said Mr. Breadner. "I think we have looked after the major user groups or potential user groups."

"We haven't met the dreams of anybody but I think that we have provided, or will provide if all the recommendations are passed, some fairly good facilities for all these user groups. Something that we can all be quite proud of."

Mckenzie district Strawberry festival

Once again the McKenzie District Brownies, Guides and their mothers are welcoming spring with strawberry shortcake and much hard work. Their 'Strawberry Festival' is to be held on Saturday, April 12, from 1 to 5 p.m., in the Vival Grandin school gym. This year's festival, which comprises a tea, bazaar and group activities, is to help raise funds to send the girls to camp this spring and summer.

Since Christmas the girls have been busy with various crafts for display and for sale at the bazaar. The many posters around town announcing the Strawberry Festival are the results of a poster contest that involved all the groups of the McKenzie District. At home

the girls have been busy selecting and testing baking recipes. Each girl has an opportunity to enter the baking contest to be held at the festival. The three age categories of the baking contest will be judged at approximately 2 p.m. and many of the entries will be offered for sale.

The Strawberry Festival itself is a mother-daughter activity. The minimal sum of 75¢ entitles a person to strawberry shortcake, tea and a chance on the door prize, a beautiful handmade afghan. Baked goods and a wide variety of handicrafts will be available for sale. The perennial favorite, a fish-pond, will also be there to delight the youngsters. Throughout the afternoon, attenders of the festival will be treated to Brownie campfire singing, a Guide tent and camping display and a display of Brownie arts and crafts.

This Strawberry Festival is the culmination of a very active winter. All Brownies, Guides and the mothers of the McKenzie District have spent many hours preparing for the festival and are anticipating a good response to their invitation for all to attend their strawberry festival.

Committee meets with media reps

A meeting with representatives of news media management held during the committee of the whole meeting on Monday night investigated ways to improve getting information exchanged between the town and the media.

Representatives of the media on hand for the discussion included Mr. Art Canard (CFRN), Terry Manegre (CJCA), Stan Ravandol (CHED), and Bob Leighton (CFCW).

Coun. Lukay opened the discussion noting the importance of giving residents of St. Albert the opportunity of "properly" being informed of the goings on in the town. He inquired if everything

possible was being done to get the information out from the part of the town. Mr. Lukay asked the representatives to react to the concept of an information officer that the media could contact.

Coun. Wetsch noted that "this" council is getting a lot of coverage and was concerned if as much information as is available is "getting across to the media." Mr. Wetsch said that his concern is to see if there was anything that council could do of benefit to all concerned. He asked the representatives to react to measures that could be taken to improve communication.

All stated that they had been receiving the agendas

for council meetings over the last few months and was able to scan them for subject matter but found that getting them close to meeting day did not leave ample time to examine them or prepare advance publicity for matters which may be of interest to the citizens of the community. Mr. Manegre pointed out that Edmonton sent the agendas on Thursday for meetings the following Tuesday.

Mr. Leighton of CFWC asked if a way could be found to get the agendas out earlier.

Agendas have a Wednesday deadline, are prepared Thursday and are ready on Friday afternoon in St. Albert. Mr. Byron, administrator, noted that an agenda could be ready on Thursday and pointed out that this would cause some "background" information to be left out of the agenda material.

Mr. Byron explained that though it appears that there is a 14 day span between

council meetings (meetings held twice per month) as well as between committee meetings (held alternate weeks, twice per month) and that it has been communicated that only the council has the power to pass a resolution. He pointed out that the recommendations of the committee of the whole go to council to be ratified.

Mr. Byron noted that various methods of exchanging information would be explored. Mayor Plain commented that he found "editing" of tapes left him wondering if reporters were missing what he was trying to get across. He asked if transcripts were provided of the particular comments. The representative of CFRN said that a transcript will only be provided if the company was specifically asked while this is not an ordinary practice. A comment was also heard regarding the "politicians" ability to speak at length to make a point.

One representative stated a comment attributed to a particular speaker was not heard on a particular station or even said at all. Hearsay may often be the

culprit, Mr. Canard said. Direct contact with newsrooms was also mentioned as one way in which the town could improve contact with the news media.

PROVERBS, CHAPTER 3: VERSE 5 & 6.

Trust in the Lord with all thine heart and lean not onto thine own understanding.

In all thy ways acknowledge Him, and He shall direct thy path.

Comets win 2 straight in league finals

St. Albert Comets won the opening two games in their best of seven finals with Fort Saskatchewan Huskies for the championship of the Edmonton Central Hockey League.

Comets won the opener last Tuesday by a 4-2 score in a game that got out of hand resulting in seven players being suspended for the second game because of fighting. Following a league meeting both teams showed up at the Fort on Thursday and a fairly clean game was played with the Comets winning 4-1 to take a two-game lead in the best of seven series.

The opener saw referee Ron Rutenberg hand out a total of 33 penalties that included 12 fighting infractions. Ten of those came after the final buzzer when both teams invaded the ice as the Fort goalie Herm Hordal charged out of his net to cross-check Comet player Don Darling across the back and neck. With tempers flaring a number of fights broke out with Hordal getting involved in three. As a result of the ruckus Hordal, Burch Tomlinson and Nelson McBride of the Huskies missed the next game while Paul Fatijewski, Don Darling, John Annot and Mike Stewart of St. Albert also sat

out the second game. Both Fatijewski and Darling did not drop their gloves or sticks but somehow were assessed fighting penalties by Rutenberg who most fans felt lost control of the game.

Getting back to the scoring aspect of the game, St. Albert didn't wait long to open the scoring with Perry Pearn beating Hordal at 2:13 with Wally Monson and Fatijewski setting up the goal. Annot went off for elbowing at 12:36 and one minute later Ray Lapointe scored an unassisted power play goal to tie the game 1-1. Comets took five of the eight penalties called and goalie Mike Stewart made some fine saves to keep the score down.

Fatijewski was set up by Monson at 2:58 of the second period to give the Comets a 2-1 lead but the Fort came right back two minutes later on a goal by Jim Knox to tie the game. Comets did not pick up a penalty in the second period while the Huskies were called for three minors.

Both goalies were very sharp for the first part of the third period making a number of fine saves. Comets put on some tremendous pressure midway through the period with Brian Stevens deflecting in a shot from Brian Clark at 10:06 and it proved to be the winner. Paul St. Currie scored the insurance marker with less than a minute to go in the game after taking a perfect pass from Clark.

Thursday night's game at the Fort saw referee Bill Currie call a total of only nine

penalties with the Comets picking up three minors while the Huskies were assessed six including a misconduct to Don McIntyre.

Comets led 1-0 after the first 20 minutes on a power play goal by Dwayne Klassen and increased it to 3-0 after two periods as Bob Beaulieu and Brian Stevens found the range on Fort goalie Jim Knox.

The Huskies finally beat Zane Jakubiec in the St. Albert net at 18:07 of the final period as Randy Kienner slipped one in. Randy Clark put the icing on the cake with a goal in the last minute to give the Comets a two game advantage in the series.

Rich Perrault and Jim Stewart were dressed for the second game and their presence was felt by the Fort. Harvey Kirkland is the only regular not in action as he has been unable to shake a very bad cold.

Comets are hoping he will recover in time for the third game which will be played this Friday in St. Albert at 7:30 p.m., with the fourth game at the Fort Sunday afternoon at 2 p.m. Should a fifth game be necessary it will be played in St. Albert on the following Tuesday.

Westlock Eagles are the defending league champs and the Comets would very much like to have the Cup presented at their annual banquet being held at the St. Albert Inn, Saturday, April 12. Tickets are available at \$16 per couple from the St. Albert Sportshop or Hutchings Shoes in St. Albert.

St. Albert Peewee Combines are Alberta's best!

Indeed they are!

This past weekend the New Holland Combines III team went to Medicine Hat and showed them who should be the number one team in the province with a decisive 6-1 victory.

The local boys left no doubt in the southern city that St. Albert had a great back-checking, fore-checking and skating team. It was quite an exhibition - from the time the puck was dropped to the last whistle no one on the St. Albert team let up. No one counted the shots on goal in the first period, but the Combines must have had a 50-10 margin. And had it not been for a super goaltending exhibition by the Combines, the period could have ended 20-0 for St. Albert.

"I have never seen 11 and 12 year old boys play so well," said manager Maurice Chabot. "They really wanted to win this championship and they played their hearts out; very few mistakes were made."

ROUGH PLAY

"As far as Medicine Hat goes," he added, "I have never seen a team so badly coached or one play so dirty. It was so bad that at one point the referees thought of calling the game off."

"High sticking, boarding, cross checking and charging - you name it," said Maurice - they did it. Midway through the second period one Hat player came from 40 feet away and charged Brad Scott into the boards - breaking a bone in his shoulder. (Dr. Gramlich was at the game and fixed Brad up with a sling till they could get him back for treatment).

"As far as I am concerned," Mr. Chabot said, "no boys at that age play like that unless they are shown how and told to do so. They were so rough that half of their own fans were on our side."

The well disciplined St. Albert club received only three minor penalties while the Hat took 15 minors and three majors. Following the game they were told by some of the Medicine Hat people that they were by far the best

team, and also commented for their discipline and clean play. Al Laplante is the coach of the team.

Goal scorers for St. Albert were Brad Scott, Tim Schradler, Ken Myck, Sunny Gramlich, Ricky Gray and Keith Heyburn. "I hope there is no match here, because with all the excitement we didn't receive a game sheet," said Mr. Chabot.

A FANTASTIC YEAR

All in all the young players have had a great year and an added feature to the last trip to the Hat was the fan support. A bus full of parents, friends, brothers and sisters made the trip - 48 in all. Unfortunately the second bus was only half full and had to be cancelled. The club was sorry this had to happen because the fan support all year was so good. In the last few games fans were brought to the championship this kind of support certainly made a big difference.

The boys on the team deserve a lot more than I can put into words, said Mr. Chabot, and I am sure that the whole town of St. Albert is behind me in saying Thank You and a Great Big Congratulations. Don't quote me, he added, but from what I hear this is the first provincial hockey trophy ever brought to this town at any level."

He was also warm in his praise of the Kinsmen Club, St. Albert and Edmonton businessmen for donations which purchased the bus tickets to go to Medicine Hat.

Their help was greatly appreciated by all concerned. And hats off to everybody at Capital Cable 11 for following the team all week.

end. "I am sure they all add something to this community," said Mr. Chabot, and hope they will keep it up - it's great."

ANTI-CLIMAX

To add to the weekend, the team was also entered in the Sherwood Park invitational tournament. They played Friday and defeated Beverly 6-3. Then drove to the Hat on Saturday and drew - back all night to play in Sherwood Park on Sunday. But after three games and 250 miles, within 48 hours, despite trying their best, the players just ran out of steam in the last 20 minutes, losing out 6-5 to the Park.

Snug as a bug?!

Probably not yet, if you've just moved in.

Standard Generals make Juvenile A final

After a difficult "league-less" season, the St. Albert Standard Generals find themselves in contention for the provincial Juvenile "A" championship. The Southern Alberta championship was decided two weeks ago when Medicine Hat bounced back

from a 3-0 deficit to defeat Lethbridge 9-4 in a two game, total point series. St. Albert beat this same Lethbridge team 15-3 in a tournament at Drumheller just after Christmas, thus the upcoming final between Medicine Hat and St. Albert

should prove to be an excellent series. The first of the two game, home and home, total point series has been scheduled for Sunday, April 6 in the St. Albert Arena. The second game will go on Sunday, April 13 in Medicine Hat.

Since no league was avail-

able, the regular season for the juveniles consisted of exhibition games, primarily with "AA" teams from Edmonton. Throughout these games, the "Generals" proved they were a match for the "AA" teams coming away with a 50-50 win-loss record.

The first part of the season was highlighted by a six team tournament in Drumheller, in which the Generals placed second, losing to an excellent AA team from Calgary in the final. Since that time the team has set its sights on the provincial championships and have been working extremely hard to that end. The coaches

John Ewen and Ernie Ewaschuk would like to congratulate the players for their fine effort put forth during the hockey season. John and Ernie consider their boys second to none in their league and intend to prove it in the upcoming championship games.

The team would like to thank the sponsors who helped make the season possible. These include Standard General Construction, Pro-Western Plastics, National Concrete Products, Canada Safeway and the Minor Hockey Association of St. Albert.

The team will be leaving

for Medicine Hat on Saturday afternoon April travelling by bus. If enough interest is shown, a second bus will be chartered so that spectators can make the trip with the team. The return trip will be made immediately after the game on Sunday. Persons interested in making the trip can contact John Ewen at 450-4263.

So, come on folks, let's show our support and help the Generals take command. Let's bring the provincial trophy to St. Albert.

See you Sunday at the arena, game starts at 4:30 p.m.

Midget all stars upset Provincial team

History repeated itself once again last weekend.

A few thousand years ago the mighty Goliath was beaten by David while Saturday the Double B midget representative team was beaten by a team of boys from the midget house league.

Ever since the all-stars forced two weeks ago by coaches Gord McLeod and Don Lavoie, won the Redwin tournament, there had been talk of a match between

the Reps and the all-stars. The long-awaited game came about Saturday afternoon and feelings on both teams ran high.

The all-stars scored the only goal of the first period on a goal by Mike Mitchell with Brian Sorenson and Travis Parayko assisting at 17:20. The goal came on the power play when Gilbert Longpre off for tripping. The Reps took five of seven first period penalties.

Don Ouellette of the

all-stars then scored the next two goals to put his team up 3-0 late in the second period. Doug Langridge helped out on the first goal while Lory Loshak assisted on the second.

The Reps finally were able to get one by Neil McLeod in the stars net when Ken Strand scored at 18:40. The Reps once again led the way to the penalty box with three minors to the all-stars one.

Mark Harmon scored on the power play for the Reps at 5:40 of the final period with Mike Mitchell sitting out an elbowing call.

Following the goal the Reps put on the pressure, realizing that if they didn't come up with a couple of quick goals that they would be in trouble. Time and time again they were foiled by McLeod in the all-stars net, and as so often happens the other team scores. Parayko was set up by Sorenson and popped in the all-stars fifth goal at the 13:00 minute mark.

The Reps refused to fold and Captain Terry Leddy scored from Mike Olson with two minutes left in the game to put the Reps within two goals of a tie.

Reps coach Doug McConachie desperately in need of two goals pulled his goalie only to have it backfire and see Jim Scheibelhofer and Lawrence Frank score empty net goals for a well deserved 7-3 win.

As earlier stated the feelings on both teams were high throughout the game and produced some of the hardest and best body checks the St. Albert arena has seen all year.

The game was watched with interest by a good number of fans who were treated to some fine action.

California Mites play here tonight

Hockey fans wishing to see some fine minor league action are reminded that the touring Mite AAA hockey team from San Jose, California, will be here tonight to play the St. Albert Kinsmen Saints in an exhibition game. The international match will start at 7 p.m. sharp with Mayor Richard Plain, MLA Ernie Jamison and Kinsmen minor hockey officials welcoming the team at a pre-game ceremony. Master of ceremonies Larry Mitchell will introduce the players and dignitaries.

Kryskow hockey school set for August in Morinville

The Dave Kryskow hockey school will be held from August 11 to August 30 in Morinville. Dave, who is now with the Detroit Red Wings has instructed hockey schools in St. Paul and Edmonton the past two years with Ken Brown and Bruce MacGregor.

The school is sponsored by the Central Sturgeon Agricultural Society, and will have three - one week - sessions. Age limits are from 7 to 18 years with limited classes for personalized instruction. Boys must provide all their own equipment. Two hours of ice time per day, and the boys will be grouped according to age, size and ability.

Tuition fees are only \$50. per session. This fee includes medical coverage for each boy per session.

Group lockers will also be supplied. All application forms and deposits must be in by June 1st, 1975.

Instructors are Dave Kryskow of the Detroit Red Wings, Yvon Bloudeau of the Dayton Gems and Greg Joly of Washington Capitals, plus other W.H.A. and N.H.L. players.

Support this worthwhile venture, as it is a wonderful experience for any youngster who enjoys the games.

Proceeds go to the Central Sturgeon Ag. Society help pay for the new curling rink.

All inquiries should be directed to Box 484 Morinville, Alberta or phone 939-4243.

Midget all stars score 2nd tournament win

A group of players from the midget house league in the Kinsmen Minor Hockey not considered good enough or the double B representative team have been flying

high in tournament play.

The team was put together two weeks ago by Gord McLeod and Don Lavoie and in that time have won the Redwater and Gibbons invi-

tational midget tournaments.

They also took time out last Saturday afternoon to take on the representative team in St. Albert and won by a convincing 7-3 score. All of the players were looking forward to this match and the all-stars didn't let their many fans down.

Getting back to tournament action, St. Albert and Calahoo-Onoway opened the Gibbons affair with St. Albert finally winning an exciting 4-3 overtime win.

The small but ever dangerous Larry Hubbs took advantage of a defensive error by the Calahoo goalie and slid one into the empty net early in the overtime period to give St. Albert the win. The loss by Calahoo-Onoway dropped them into B action which they won with wins over MacLeod and Gibbons in the final game. Mr. Bob Mason presented the Gib-

bons Seed Cleaning Plant trophy.

St. Albert won the second game over St. Francis by a 5-2 score that was very flattering to St. Francis. Lawrence Frank led the way with a pair of goals while Mike Mitchell, Doug Langridge and Hubbs scored singles. The win advanced St. Albert into the finals against Horse Hills who had earlier beaten Morinville 8-4.

St. Albert took a 1-0 first period lead on a goal by Mike Mitchell on a deflection from the point. The boys appeared to tire and mistakes saw them fall behind 2-1 early in the second as Horse Hills forced the play in St. Albert's zone.

The third period was all St. Albert's as they came up with three unanswered goals and a well deserved 5-2 win. Don Ouellette scored the winner early in the period

while Blaine Galbraith and Hubbs scored insurance markers. St. Albert received excellent goaltending from Neil McLeod and Kevin Jennings with the top forward player being Larry

Hubbs.

Following the game a trophy donated by J. & L. Petroleums and Gibbons Gulf Service was presented to Captain Mike Mitchell and Coach Gord McLeod.

St. Albert Badminton - Interclub Results

The regular season interclub competition was completed recently with St. Albert Badminton Club experiencing some success and some disappointment. The 'B' team failed to make the post-season playoffs by losing their final match 6-4 to a much improved Southgate B2 team.

Final standings in the 'B' league were:

Southgate B1 74 pts.
Kingsway 56 pts.
U of A 50 pts.
Southgate B2 47 pts.
St. Albert 45 pts.
Derrick 28 pts.
Royal Glenora 10 pts.

'B' team members throughout the year were Doreen Golden, June Raven, Sharon Marchand, Judy Wood, Cindy Smith, Diane Stoutenberg, Miles Pratt, Alan Musto, Bob Sage, Frank Carnahan, John Marchand, Lindsay Peterson, and Dave Chalcraft (captain). Better luck next year.

The 'C' team on the other hand finished the season in a tie for second place and now enter the post-season playoffs. Final 'C' standings were:

Derrick 83 pts.
St. Albert 72 pts.
Northgate 72 pts.
U of A 54 pts.
Kingsway 38 pts.
Victoria Composite .. 35 pts.
Royal Glenora 27 pts.

'C' team members throughout the year were Sandy Willis, Cindy Smith, Heather York, Sharon Marchand,

Ladies Provincial Bowling

The Ladies bowling leagues recently completed their Annual Homemakers Tournament at Grandin Bowl in St. Albert. The following advanced to the provincial homemakers championships held at Bonnie Doon Lanes on March 21: "A" event: Irene Orbek, Judy Sware, Carol Webber, Verna Mackenzie and Dorothy Chyz. "B" event: Pearl Sinclair, Wendy Houle, Sandy Tallas, Marion Stewart, and Irene Small.

Pearl, Wendy, Sandy, Marion and Irene went on to win the provincial championships. There were 16 bowling centres from Alberta in the event at Bonnie Doon.

The ladies were presented trophies in recognition of their win. In addition, Wendy Houle placed second in the individual awards and Sandy Tallas won a silver tray for a 313 high single game.

KINSMEN MINOR HOCKEY

KINSMEN HOCKEY TROPHIES

There are still a number of trophies presented last year to winning teams and players that have not been returned to the St. Albert SportsShop. All coaches and players with these annual trophies are asked to please make every effort to bring them into the SportsShop as soon as possible. Anyone having problems getting down or knowing the whereabouts of any trophies is asked to call Larry Mitchell at 459-5200 or 459-4941.

After the regular Kinsmen Minor Hockey schedule was completed the following teams played well enough to make the playoffs. Almost all teams in each division managed to play all their scheduled games so that standings could be accurately finalized.

The only division that may have been affected was the Bantam B league and standings could have changed had all teams played the same number of games.

In any event it was a well played schedule for the most part and coaches playing all scheduled games are to be congratulated for getting as

many games as possible for their boys.

Weather and other unforeseen problems postponed games from time to time but with a little effort they should have all been played.

The following is the complete schedule of all teams participating and coaches and parents are asked to clip it out for further reference. All games will be played in the arena and all coaches are asked to drop off the game sheets in the arena box as soon as the game is over so that the games can be recorded and results kept up to date at all times.

Good luck.

1975 MINOR HOCKEY PLAYOFF RULES

- In the event that two teams are tied in points after the regular league schedule is complete, the team with the better for-and-against goal average will be the winner.
- Winners will be declared on a two game total point basis for playoff games.
- Sudden death overtime in all final games and the goalies are to be left in.
- All coaches participating in playoff hockey must play each boy at least once every period in each game.
- Automatic forfeiture of a game will be declared if the above rules are not adhered to and a three goal deficit applied for all following games.

ST. ALBERT RECREATION REPORT

PARKS & RECREATION BOARD

The next regular meeting of the Parks and Recreation Board has been rescheduled to Wednesday, April 9 at 7:30 p.m. It will be held in Paul Kane High School - and not in the Town Hall Annex as usual.

CHILDREN'S GYM

At the time of writing, there are two openings left in the children's gym class for

4's and 5's which will be held in Vital Grandin School, starting on April 10.

The class will run for six weeks on Thursdays from 4:45 p.m., and the cost is \$3.00.

Those whose names were on the waiting list are asked to please pay the registration fee as soon as possible at the Department of Recreation in the Town Hall.

PHYSICAL CULTURE

A six-week physical culture course for ladies will start on Thursday, April 10 in Sir George Simpson School. Margaret Thomson, who introduced this attractive form of exercising to Western Canada, will conduct classes each Thursday from 8:30 p.m., till May 15.

Registrations are now being taken at the Department of Recreation in the Town Hall. The fee is \$6., 17 year olds can also register for \$3.50.

Because physical culture is

very difficult to describe, anyone who is curious about this very pleasant way of exercising is invited to come and either watch or participate in the last class of the present session which will be held on Thursday, April 3 from 8:30 p.m. in Sir George Simpson School. Comfortable clothing allowing freedom of movement should be worn.

A pleasant way of getting into shape for summer, physical culture is a combination of rhythmic movement and creative dance in which all the muscles are used to achieve suppleness and flexibility. Attend the class on April 3 and see for yourself!

ARTS & CRAFTS

There are still openings in several of the classes and workshops being offered in April and May by the St. Albert Arts and Crafts Guild. From 12:30 - 4 p.m., on April 12, 19 and 26, teens and adults will have a chance

to find out what they always wanted to know about ceramics but never had time. The course is called Introductory Ceramics and will be held in the Arts Centre. The cost is \$12.00.

A two-day course in primitive weaving will be held in Mission Clubhouse, Mission Avenue from 9 a.m. - 3:30 p.m., on April 19 and 20. This should be of interest to people who are curious about this craft which is growing steadily in popularity. The fee is \$10.00.

On April 19, a one-day jewellery workshop will be held in the Arts Centre when teens and adults will learn the art of making very attractive jewellery out of quite ordinary and easily obtainable materials. The hours are 9:30 a.m. - 12 noon and from 1 - 5:30 p.m., and the fee is \$10.00.

A basketry workshop will be held from 7 - 10 p.m., on April 22, 29 and May 6 in the Arts Centre.

The spinning workshop has been rescheduled to May 3 and 4. It will take place in Mission Clubhouse from 9 a.m. - 12 noon and from 1 - 4 p.m., on both days. The cost is \$20.00. As a follow-up to this workshop, one on dyeing will be held in the fall. To register, send name, address, telephone number, name of class along with fee to Box 5, St. Albert. Phone Lois Folkins at 459-7344 for further information.

CROSS COUNTRY SKIING

Members of the St. Albert Nordic Ski Club are recommended at the wind-up supper and annual general meeting which will be held at 6 p.m., on Friday, April 11 in the United Church Hall.

The general meeting will include the election of officers for next season and anyone willing to run for office is asked to call a member of the nominating committee: Louise Stanley, 459-5221; Hugh Puffer, 459-6049; or Ken Rothwell, 459-5131.

FAMILY CAMPING

The St. Albert 69ers Family Camping Club meets on the third Sunday of each month at 7:30 p.m., in the Grandin Clubhouse (beside the swimming pool).

Phone Ray Ethier, the president if you are interested in the activities of the club.

BLOCK PARENTS

Phone Mrs. Kay Romeril at 459-6208 or Constable Jones, RCMP at 459-7721 for information about this very important preventive program.

GARDENING

Mr. Wally Klatt, the district agriculturist will be on hand in Grandin Clubhouse

(beside the swimming pool) on April 15 and 22 to give advice on landscaping, trees, shrubs, fertilizers etc.

His talks will start at 7:30 p.m. on each evening and there will be time for questions and discussion. Coffee will be served. There will be no charge for the clinic.

HERCULES SPORTS ASSOCIATION

Remember April 19. It's the date of the association's "Spring Frolic" which will be held in the Community Hall at 8 p.m. Support the Association which does so much for our younger citizens.

The annual meeting and election of the 1975-76 executive of the St. Albert Figure Skating Club is scheduled to take place on April 24 and the nominating committee is in the process of preparing a proposed slate of officers for the coming year. Fifteen members will be elected to the executive and any members interested in serving should contact one of the following members of the nominating committee: Mrs. Barbara Freeman, 459-4633, Mrs. Betty Zdrill, 458-0140, Mrs. Olga Buma, 459-8309, or Mrs. Marj Joyal 459-8336.

In the meantime, don't forget the annual carnival which will be held this year on the evening of Saturday, April 12 and the afternoon of Sunday, April 13.

Report From Bon Accord

By Sadie Allen

Members of Cadet Squad 51 were able to enjoy the helicopter flight postponed earlier on March 5, when a copier from 408 squad picked them up at Bon Accord and flew them to Camp Wright, Athabasca, returning them home the same day. The cadets are sponsoring a picnic in the Bon Accord Community Centre on Sunday, April 20 from 1 - 6 and a blood donor clinic in the Bon Accord Community Centre on Tuesday, April 29 from 6 - 9 p.m. Please keep both dates in mind and support the boys.

Local bingo enthusiasts, Thalia Critchley, Eileen Rosen and Myrtle Kreway cashed in on the Cosmo TV Bingo held recently. Congratulations.

Senior citizens will meet on April 8 at 2 in the Bon Accord Community Centre for a social afternoon. Luncheon is served and lunch served. Please make this afternoon out and bring a friend who has not been out before.

Our sympathy is extended to Mr. Hank Meyer and family in the loss of his mother.

A pyrogly supper and bingo will be held at Federal on Saturday, April 12. Supper at 6:30 and bingo at 7:30. Advance tickets may be obtained from Karen Luckia, 921-2407 or Elsie Belvick, 939-2393.

A course in flower arranging with Mrs. Lorette Coleman instructing will get

underway in the Bon Accord community centre on Thursday, April 10. The first class will deal with ice-box coverages. Registration for the class may be made with Marilyn Carleton, 921-3939.

The Bon Accord kindergarten entertained members of the senior citizen's lodge at Legal recently and were royally entertained in return by the lodge members. From all reports a good time was had by all.

Creative movement classes get underway at the school on April 10. If you have not

registered your small ones - kindergarten and grades 1 and 2 - you may do so by calling Pauline Mansfield, 21-362. Registration is \$1.00. Instructor is Mrs. M. J. J.

Bingo on Sunday at 7:30. Jackpot is \$400. in 52 numbers.

Congratulations to Bob and Janice McRobbie on the birth of their son, David Thomas, 8 lbs. 1 oz., on March 26.

The Bon Accord Art Club recently completed their

winter course - Painting 1 and have now planned wind-up activities. Exhibition of this winter's work will take place at the community centre on Thursday afternoon, April 11, and an annual art show will follow later in the evening between 7 and 10 p.m. The public is cordially invited to attend the show when it is expected approximately 100 paintings will be on view. "Drawing" has been chosen for the 1975 fall course - expected to start in October. New members are welcome and any questions may have on this subject may be answered by

members on April 10.

The Bon Accord Ladies Community Club held their March meeting at the home of Lydia Earle. The club has been very active over the past year and donated \$3,200 to the community centre. Since its inception in May of 1946, the club has donated \$27,352 to the community. The next meeting will be at Doreen Hewitt's on Wednesday, April 9 at 8 p.m.

The Local Association for Brownies and Guides will meet in the Clubroom on Monday, April 7 at 6:30 p.m.

The regular 9 a.m. service at the United Church on April 6 will be taken by Shiloh-a group of young people led by Lorne Miller. Rev. Black will be at Morinville.

Copies of the financial statement are available at the Village Office for residents of Bon Accord who are not able to attend the annual meeting held on March 24.

A playschool organizational meeting will be held in the Clubroom of the Bon Accord Community Centre on Monday, April 14 at 8 p.m. This meeting will also be concerned with Mother's Day Out and Tiny Tots. Anyone interested in any of the above please turn out for this meeting. For further information call Sandra McDougall at 921-3511.

News items for the Bon Accord section of the Gazette may be phoned in to me at 921-3541 anytime during the week up to early Monday morning.

Preliminary plans for Cardiff park area revealed

The preliminary plans for the Cardiff Park recreation and sports area were revealed to the MD of Sturgeon March 27.

Costs for the project are estimated at \$1 1/2-\$2 1/2 million. However Sturgeon Regional Recreation still want the planning firm of G. R. Shelley and Associates to proceed in more detail on the park concept and the MD felt that development will come when the funds are available.

It was also pointed out recently at the annual meeting of the MD that the ratepayers would be notified

prior to any major expenses taking place for the development of the Cardiff area.

If the park ever gets off the drawing board it could provide recreation facilities for up to 3,500 people in one day and from 1700 - 2000 at "prime picnic time."

The preliminary plan indicates there will be parking for 600 cars and the recreation facilities themselves will cater to a wide variety of tastes.

There'll be an 18-hole golf course up to professional standards, an equestrian area, a swimming pool, a large water area for sports

fishing and docking facilities for canoes and yachts. In the winter the park could be used for cross country skiing and snowshoeing but it will likely not host the snowmobiler.

The plan also provides a trail system in the park area, a toboggan area, an amphitheatre for 400, an archery range, camping facilities, a storm protection area, three ball diamonds, two softball diamonds and a soccer field, two practice greens and two tennis courts, trees throughout and a picnic area for day use with 200 tables spread throughout. Access through the park will be via 35 feet roads.

Although there seemed tacit approval of the plan from the MD one councillor Walter Van de Walle felt there was a lot of room for golf with everything else crowded in the balance.

District wrestlers do well in Provincials

On Friday, March 28, a number of boys between the ages of 12 and 14 awakened early so that they could head out for Calgary by 5:30 a.m. The provincial wrestling finals were held there, at the Southern Alberta Institute of Technology.

The 45 Region 5 finalists from the tournament at Vanier were there by 10 a.m., when it started, along with the coaches, Clare Downing from Gibbons, Dexter Dersch from Camilla and George Van Horne and Gary Smith from Vanier.

All the boys received certificates and did very well with one medal going to

Westlock, one medal to Thorhild, two to Gibbons, two to Vanier, and five to Camilla. From Vanier: Wayne Van Brabant (112 lb. weight category) won a gold medal, and Philip Van Brabant (119 lb. weight category) won a silver medal.

From Camilla: Paul McGillis - silver (80 lbs.); Gerald Van Brabant - gold (85 lbs.); Kelly Bielecombe - silver (140 lbs.); Kelly Berglund - gold (158 lbs.); and heavy-weight - Allan Berglund - gold.

It was a long, tiring day and the boys didn't get back until 3 a.m., Sunday morning, but it was an experience to remember.

MP against entrance fee hike in national parks

The member for Wetaskiwin Stan Schellenberger came out strongly against a proposed hike in national park entrance fees March 18.

He made the comments against the proposed hike at the meeting of the standing committee on Indian Affairs and Northern Development.

He said that the move by the National Parks Depart-

ment to raise the fees for people travelling "in that park" to \$2 per day or \$10 for a yearly pass was a backward step.

He pointed out that today many people need to rest away from the strain of modern society and the place they can do that is in the recreation area.

"I simply cannot under-

stand why we are raising this fee because I find that many people in my riding to not have a lot of money to spend on recreation facilities."

Mr. Schellenberger wanted to know where the directive came from to increase the park entry fee and what "we hope to gain by raising a few more million dollars to beautify our parks

or to put up extra signs or something."

Mr. Schellenberger was told that the decision concerning the increase in fees was arrived in connection with the development of a five year capital program for the national parks system which has been approved by the Treasury Board. The total amount to be spent under that program is \$376

million over five years.

It was pointed out that the capital works program had become increasingly expensive and in 1969-70 the capital expenditures of the parks program was \$16 million. Mr. Schellenberger was also told "in the main estimates that are before this committee the amount of \$68 million is shown. Between 1969-70 and 1975-76, of the

total expenditures of the parks program the proportion accounted for by revenue was 11 per cent in 1969-70 and it will have dropped even with the fee increase to eight per cent in 1975-76.

Mr. Schellenberger replied: "Yes, I enjoy your statistics and I realize that costs are going up, but I simply cannot go along with the fact that we are going to make our parks so expensive that soon people will not be able to go to them."

"I understand that this toll, \$2.00, a colleague says, was to be written off. It was just a toll charge at one time and after a while it was going to be done away with so that people could pass into our parks and enjoy them. Just because all other costs are going up around us, does not seem to me to be a good argument to say that so should park fees go up. I find that the whole thing is repulsive and it is a bad thing to do at this time. I just want to register my complaints on behalf of the people who go camping that it is a bad thing to do and it should not be done at this time."

YEEEEEEH!!!!!! Up with Women's Lib, say Shirley Rurak (left) and Shirley Steinwand of Gibbons as they celebrate getting through a log during the Women's log sawing event at the carnival last weekend.

Morin rink takes mixed

The Legal mixed league playoffs were held March 21 and 24. The four teams qualifying were: Ed Royan, Pat Keane, Mark McCargar and Paul Morin. The final game, played between Paul Morin and Pat Keane rinks, was a close tie game to the end.

Irene Maurier - lead; Richard Maurier - 2nd; Jo-Anne Morin - 3rd and Paul Morin - skip, won the game 8-7, after a long hard battle.

GIBBONS NEWS

By Shirley Steinwand

Congratulations and best wishes to Mr. and Mrs. Bryon McLean on the birth of a baby girl at the Royal Alex Hospital on Monday, March 3. The little lady will respond to the name of Candace Jean and weighed 7 lbs. 8 ozs. The mother is the former Charlotte Williams, and maternal grandparents are Mr. and Mrs. Wm. H. Williams.

Get well wishes are extended to Wilfred Olivier who is a patient in the Fort General Hospital. Wishing you a speedy recovery, Wilfred.

Mr. Charles Brumfit, our 102 year old senior citizen is a patient in the General Hospital with a broken hip. We hope his usual sturdy countenance may help him overcome his mishap, and his usual vitality be restored

once again. Speedy get well wishes from us all, Mr. Brumfit.

Get well wishes and a speedy recovery to Mr. Allan Knott who is a patient in the Royal Alex Hospital.

Mr. and Mrs. George Petherbridge, Mr. and Mrs. George Sorague and Mrs. Lizzie Sprague left on Sunday, March 23 for a month's

holiday in Hawaii. Wishing all of you a wonderful trip and safe journey home.

Mr. and Mrs. Alvin Tupper and Miss Connie Roberts attended a 50th wedding anniversary of Mr. Tupper's brother and his wife in Marwayne recently. They reported a good trip throughout.

SKATE-A-THON

Pledges for the skate-a-

thon may be turned in to Jim Hogg, Clayton McWhirter, or may be brought to the arena on Saturday, April 5, the deadline for all pledges.

GIBBONS SKATING ASSOCIATION

The executive and teachers of the Gibbons Skating Association would like to take this opportunity to thank all the people for coming to our first carnival "Pot Pourri" on March 21.

A special thanks to the following: Clayton McWhirter, ticket taker; Don Rurak, selling programs; Don Brown master of ceremonies; Mr. Sullivan, music co-ordinator; Mrs. Rocque and Mrs. Porsild, program printers; John Vanderspool, platform; Denise Zellweger, Helena Osmond, Barb Wood, make up. All those that turned out Friday afternoon to help set up. All supervisors in the dressing room and other jobs back-stage. Girl Guides who were our usherettes. Phoning committee, those who donated T.V.'s for use in the dressing rooms. Those who stayed behind Friday night after the show to help dismantle. Those who helped construct our "prize winning" float. Anyone else who l

may have inadvertently forgotten.

Our understanding rink staff, Tim Yeo and Ernie Crockett. And last but not least, all the mothers that brought their children to all the extra practises called at the last minute.

ANNUAL MEETING

The Gibbons Skating Association will hold their annual meeting on Monday, April 7, 8 p.m. in the arena mezzanine. On the agenda will be - financial statement; election of officers for the coming year - 1975/76.

If you are interested in skating lessons for next fall, please attend this meeting. If enough parents don't attend this meeting, plans for next fall will cease.

Requests must be made to the Agricultural Society for ice time **NOW**. Please, plan to attend, and voice your opinion.

OLDTIME HOCKEY

A meeting will be held in the arena mezzanine on April 9, Wednesday at 8 p.m., for anyone interested in the 1975/76 hockey season. Oldtimers, please attend and help plan next year's season.

THIS FLOAT in the Gibbons snowball carnival gave the onlooker something to think about. Pity any sparrows flying above the shots being fired from the model Hercules aircraft. The float from CFB Namao won first prize in the special category for the carnival.

Calahoo WI hears talk on freight rates

By Liz McLeod
The regular monthly meeting of Calahoo Women's Institute was held March 25 with 14 members and Joyce Bergesreiser, Lillian Lischewski, Sybil Thatcher and Elsie Berry as visitors.

Several men enjoyed visiting with Wally Klat until it was time for Wally to address the meeting.

After the Creed repeated in unison, a poem "The

Promise of Spring" was read by Adele Thatcher.

Secretary Emma Dalheim read the minutes of the last meeting and then business arising from these minutes were discussed, followed by the treasurer's report.

Mary Dalheim reported on the progress of the Calahoo history, the WI are preparing and informed us of another meeting called for April 14 in Emelia Schnermund's home at 8 p.m., to gain further

information from publishers. Lischewski, who was actively involved in the historical society in Jasper, gave us some information gleaned from her experience and also prepared a finished book of Pincher Creek's history for all to view.

In the correspondence there were a few letters read including one from County of Parkland's Steering Committee with regard to International Women's Year, and

another noting the AWI being the recipient of a provincial government grant, finally recognizing the Alberta Women's Institutes as a worthwhile and contributing to the betterment of home and country groups, who incidentally are worldwide. The Associated Country Women of the World (ACWW) had their conference in Perth, Australia last October.

After the business session

was over the hostess had a good game. Each was given a number and as each number was called you took a parcel and then at the word go, each had to open and model the contents. Well you donned anything from baby dolls, hats, shorts, cut-offs etc., whether they fit or not. It was just hilarious some pictures were taken and if that couldn't get you into a relaxing mood nothing could. Guest speaker, Wally Klat decided it was time we learned about the why's and wherefore's of the Crows Nest Freight Rate Agreement from as early as 1897, since it affects farmers and we'll also be hearing a lot about this subject in future news.

This was most interesting and in the question period that followed there was active participation from both men and women.

A cheer went up when Alice announced that Mrs. Glenn (Elsie) Berry wished to join us as a member. We welcome our Elsie bringing our membership up to 17. It was unfortunate that Aline Riddick and Cecile Berry missed this delightful evening.

Margaret Douglas won the door prize that was donated by our last month's visitor, Daisy Gooding, who was kind

enough to make book-marks and also "Holy Cow's" you put on your fridge to remind you your eating again. They are for sale to help raise money for the history book publishing.

Annie Norris has painted two pictures and is donating them to further funds for this history book. Calahoo WI will be selling raffle tickets on same, as soon as a permit can be obtained.

More kindness is seen by Mrs. Addie Thatcher who is crocheting a beautiful afghan for raffling and this too along with a second item will be raffled, all towards monies to pay for publishing this Calahoo history.

Final preparations were made for the upcoming cash bingo and bake sale on Wednesday, April 2 in Calahoo Church basement starting at 8 p.m. Proceeds from this go towards the history book also.

At luncheon the lighted birthday cake honoured Toni Christen and Emma Dalheim with happy birthday sung to them.

The April 22 meeting will be held at 8:30 p.m. in Margaret Douglas's home with the roll call - Bring a package of flower seeds for exchange.

Visitors are always welcome.

MD won't mind St. Albert's eye on major developments

St. Albert has asked the MD of Sturgeon #90 to refer major development applications to the town so that these can be fitted into St. Albert's General Plan over the next two years.

St. Albert assured the MD that any applications refer-

red would be treated in the strictest confidence.

The request by St. Albert was made at a development meeting of the MD, March 27 with Mayor Dick Plain and town planner Wayne Gordon representing St. Albert.

Mayor Plain emphasized

that where applications had not yet been endorsed by the MD, they would be looked at in camera by St. Albert.

Since only major developments and changes in land use in the MD will affect St. Albert's general plan, it is not expected that town office will be flooded out by red

tape as development referrals come in from the MD.

Mayor Plain made it clear that as St. Albert began the two year process of putting together its general plan there would be the need to "keep track of activities around our borders." It was necessary to see how the impact of major developments in the MD would fit in with St. Albert's development.

The development referral area of the MD of Sturgeon fans out to a radius of two to three miles from St. Albert.

The procedure of development referrals will run something like this, as envisaged by St. Albert. First an application would be received by the MD and would then be referred to St. Albert for information purposes. A reply would then go out to the MD from St. Albert and if the development received final approval by the MD (e.g. a new industrial park) there would be the usual public notification which would include St. Albert.

The MD council went along with the proposal provided that referrals were looked at in camera.

Vimy's reserve grand champion steer

Reserve grand champion market steer at the Canadian Western Stock and Show sale March 23-29 was shown by Joe Kallal of Vimy.

The 930 lb. Hereford X Simmental cross steer was purchased by Woodward Stores Ltd., for 92½ cents per pound.

Also at the show and sale the highest price for a champion since 1968 was set March 24 during the finished market cattle sale. Canada Safeway Ltd., paid \$1.55 per pound for the grand champion market steer a 1,115 pound polled Hereford owned by Ken Giebelhaus of Vegreville. The 1968 champion sold for \$2.40 per pound.

Roddick and Bart Kachowski scoring for the winners. Riviere Qui Barre came back in the second game to win 1-0 but lost the total goal series by a 2-2 score.

Nolan Horn was the winner of the most valuable player trophy for Calahoo while Darren Kluthe was the most valuable player for Riviere Qui Barre and received a trophy as well. Calahoo captured the mite A championship with a close 3-2 win over Villeneuve in the final game. Lorne Labonte scored a pair for Calahoo while Dean MacDonald popped in the other. Calahoo earlier had scored a 9-3 win over Riviere Qui Barre and Villeneuve scored a 3-2 win over Onoway in a overtime match.

Lorne Labonte was the most valuable player for Calahoo while Tony Rouault was Villeneuve's M.V.P. Donald Klause won the same award for Onoway while Don Kaup was the M.V.P. for Riviere Qui Barre.

All trophies were donated by the Calahoo Sports Association.

Calahoo hosts first tournament in new arena

Last weekend saw the first two tournaments ever to be held in the new hockey arena in Calahoo with the Calahoo Sports Association sponsoring a mite and shaver tournament under chairman Emile Berube.

The shavers opened the show Friday night with Villeneuve scoring a 5-1 win over Calahoo, but because of a lack of players on Saturday Villeneuve had to drop out of the tournament and left Calahoo and Riviere Qui Barre to play a two-game total goal series for the Sports Association trophy.

Briefs from MD of Sturgeon

Following are some of the highlights of the development meeting of the MD of Sturgeon #90 March 27.

The possibility that the MD would re-classify land from Highway 2 through to 127 Street and south of 70 Avenue to 37 Avenue from special control to light industrial reserve was discounted as council pointed out that it was never aware

that light industrial use was being considered for this area. Development officer for the MD Gary Brownlee advised that council should "sit on the matter." It was felt that if the matter had been dealt with in camera - the re-application to what the MD had in the general plan at a recent joint meeting with St. Albert, unnecessary airing of the topic in the press would have been avoided.

THE MD decided that one item on the agenda - fire protection at the proposed Villeneuve airport should not be dealt with at this time.

APPROVAL WAS given to building permits for Calahoo Meat Processing, Calahoo, and a barn dance building

eight miles east of Legal.

FIRST READING was given to a bylaw reclassifying the General Plan from Light Industrial Reserve to Light Industrial on the northern portion of river lots 18 and 20, in regard to a development slated for Alberta Food

Products.

ABOUT 33 RATEPAYERS were at the ratepayers annual meeting held in the MD of Sturgeon offices March 22. Reports read at the meeting were from the Municipal Inspector, the Reeve and Secretary Treas-

urer Alphonse Nobert presented the Auditor's Financial Statement for the year ending December 31, 1974. Other reports presented were the Agricultural Fieldman's report and the Sturgeon Recreation report and financial statement. All questions on these reports were answered satisfactorily according to the MD's minutes.

In new business Mr. K. Everitt moved that the meeting oppose the taxation of farm dwellings and that the MD of Sturgeon should carry this to the next AMD & C Convention. Reeve of the MD Bill Flynn stated that the resolution brought to the previous AMD & C convention was similar to the motion made by Mr. Everitt and therefore the MD was already opposed to the taxation of all farm dwellings. This motion was then withdrawn.

Another motion from Mr. Everitt - that all resolutions presented at the future AMD & C conventions on behalf of the MD of Sturgeon be recorded in the annual statement - was carried at the meeting.

On February 23 Vimy 4H Beef Club met at the Lussion farm for a judging of market steers and breeding heifers, our judge was Joe Kallal who we want to thank. At this judging the film crew of CBXFT Channel 11, filmed and interviewed our leader and three junior leaders, for the program Actualités 24. Later we all enjoyed lunch

STURGEON REGIONAL RECREATION REPORT

A "floral design" one day workshop will be held in the offices of Sturgeon Regional Recreation in Morinville on Thursday, April 10, 1975. Instructor will be Mrs. Lou Etta Colman who is a professional floral designer. Mrs. Colman will instruct participants in the setting up of a terrarium and a floral centrepiece. Please telephone the offices of Sturgeon Regional Recreation, 939-4317, for more information.

which was prepared by the mothers. The interview appeared on Channel 11, Actualités 24, Wednesday, March 19 from 10:30 to 11 p.m.

The club met in the basement of the Vimy Hall on February 28 for a public speaking practice. Each member gave a prepared speech as well as an impromptu speech. We are very grateful that Mr. Johnny De Champlain could attend and give valuable pointers on how we could improve our speeches.

PUBLIC SPEAKING

On March 7 we held our annual public speaking finals in the Vimy school gym. All 19 members participated. Our judges were Father Bissonnette, Brian Kaliel and Paul Ledet. The senior winner was Agnes Blanchette and the junior winner was Francoise Lussion. To who we wish the best of luck in the district finals.

On March 9 we judged two classes of market steers, one at Albert Blanchette's and one at Mr. Fern Bilodeau's we had also invited Double Diamond 4H Beef Club for the judging and our judge

was Mr. Bob Burns. Then we ate a delicious lunch at the Bilodeau residence which was prepared by the mothers.

March 18 saw 19 members and four parents at the club's sixth monthly meeting. We have decided this year that certificates shall replace trophies which was a tradition of the past. The clothing for achievement day has been decided for. We shall be improving the quality of our stall decorations and also enlarging because of the expansion of our club. Agnes Blanchette and Brigitte Lussion who were the best judges in our club last year shall be judging cattle at the spring show, March 23.

M.D. of Sturgeon No. 90

Leasing of Park Reserves

A resolution was passed by Council, subject to the Provincial Planning Board's approval, to lease the following park reserves by tender. The highest on any tender not necessarily accepted.

1. N.W. 1/4 4-56-23-W4. Plan 4791 R.S. Acres 39.67 Located two miles east and 1 1/4 miles south of Bon Accord. Suitable for pasture or haying.

2. N.E. 1/4 21-55-22-W4. Plan 325 T.R. Acres - 16 (R.2) Located in Hu Haven Subdivision, 4 miles south of Gibbons on Highway #37 and 4 1/4 miles east. Suitable for pasture.

3. S.E. 1/4 34-54-23-W4. Plan 4095 T.R. Acres 7.57 (R.2) Located 8 miles south of Gibbons Highway #37, 1 mile east and 1 1/4 miles south. Suitable for gardening.

4. N.W. 1/4 8-54-23-4. Plan 5278. Acres 7.5 Located 1/4 miles west of Horse Hill School. Suitable for haying or pasture.

5. N.E. 1/4 24-56-23-W4. Plan 4079. Acres 10.04 Located 2 miles east of Gibbons and 2 miles north. Suitable for pasture.

6. N.W. 1/4 8-55-23-W4. Plan 831 T.R. Acres - 8 Located 2 miles north of Namao on Highway #28 and 4 1/4 miles east. Suitable for haying or gardening.

7. N.W. 1/4 8-54-26-W4. Plan 1976 T.R. Acres 3.17 Located 1/4 mile south of Villeneuve. Suitable for gardening or haying.

8. N.W. 1/4 10-54-26-W4. Plan 1711 T.R. Acres 1.78 Located 2 1/4 miles east of Villeneuve. Suitable for pasture.

9. S.W. 1/4 29-54-27-W4. Plan 1680 T.R. Acres 11.16 Located 1 1/2 miles south, 1/2 mile east, and 1/2 mile north of Calahoo.

10. N.W. 1/4 18-54-24-W4. Plan 5033 R.S. Acres 7.01 Located 2 miles west on Highway #635 and 3 1/4 miles south of Namao. Suitable for haying.

A person interested in leasing a park reserve listed above, shall submit his offer in writing to this office on or prior to April 21, 1975. A person affected and opposing the leasing of a certain Park Reserve shall serve written notice of his objections to the undersigned prior to April 24, 1975, on which date a hearing is to be held at 2 p.m., in the Municipal Office, Morinville, Alberta if objections are received.

Alphonse Nobert,
Secretary-Treasurer,

"WE SELL THE BEST AND SERVICE THE REST"

Here's why you need to control the wild oat before it comes up.

Before your crop breaks ground, untreated wild oats can steal moisture and nutrients from your barley, wheat, rapeseed or flax. That can mean less crop at harvest. So...use Avadex BW herbicide by Monsanto for early control of wild oats

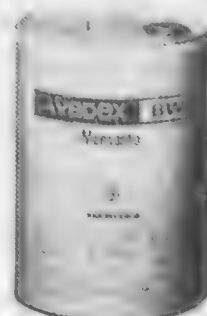

Avadex BW application flexibility lets you apply after seeding...especially important when rainy, windy weather could make it difficult to apply a herbicide after wild oats emerge

Avadex BW is convenient to use. And when used as recommended Avadex BW controls wild oats yet has good crop tolerance.

Remember how bad wild oats were last year...be ready this year

Apply Avadex BW this spring to help get a better yield of barley, wheat, flax or rapeseed

Monsanto Canada Ltd., Montreal, Quebec

AVADex BW

Monsanto

*Trademark Monsanto Company

The Avadex BW label. For proper usage and to receive the full benefits of this product, read the label and follow instructions carefully

WOULDN'T YOU like to have been served your Brownie Easter Tea by these four Brownies of the 1st and 2nd Gibbons pack. Penny Young (from left) Lynn Rains, Kim Kennedy and Bonnie Lasell waited for guests at the Gibbons Legion Hut last Saturday afternoon and their efforts did not go unrewarded.

MORINVILLE MEMOS

By Marilyn Pelletier
Would people with articles to donate for the guides and brownies rummage sale take them to Mrs. Anderson next to the Plains Western office. There has been very few articles brought in to this date. In order to make this sale a success for the girls please bring articles in by

April 20.

Found - set truck keys, GMC key ring with five keys. Call 939-4472.

Congratulations to Mr. and Mrs. L. Rivet on the birth of twin boys in the Sturgeon General on February 23, 1975. Their new

sons names are Ronald Emile who weighed 5 lbs. 4 ozs. and Paul Roland 4 lbs. 13 ozs. The proud grandparents are Mr. and Mrs. Roland Ricard and Mr. and Mrs. Emile Borle.

We are happy to hear that Mr. Harold Rockwell is out of intensive care at the University Hospital. Any friends wishing to drop him a card can send it to Nursing Station 31, U of A Hospital.

The closing date for equestrian events for Frontier Daze is June 10. For information contact Eva Coulombe at 939-4625.

Call for more water from Namao line

The MD of Sturgeon is to ask the Department of National Defence if it can acquire water from the existing Namao water line.

The MD, at its development meeting March 27, also looked at requests from the residents of the "Noroncel" subdivision for a piped water system for domestic use and also a request from residents adjacent to Highway 28 to connect to the Namao water line.

If the Namao high school goes in, the area of need, from 20,000 - 40,000 gallons of water per day, could go up by another 10,000 gallons.

The main snag of getting water from the existing line could lie in the fact that the armed forces base at Namao is a high risk area and water from the line could only be set for other uses if the risk to the base is not shown to be higher as a result.

However, Councillor Clay Crozier felt that council had to start somewhere and would have to ask the base what they could spare. DND approval for the water would also be contingent on City of Edmonton approval.

To set the ball rolling, the MD will send a letter to DND Trenton to see if it can get water to the tune of an additional 20,000 gallons.

Awards presented - Legal seniors banquet

By Dalores Brisson
Following a delicious banquet, held March 22, everyone gathered upstairs for the feature of the evening - the presentation of the trophies. Master of ceremonies, Paul Morin, got the show on the road by introducing a new local team, who call themselves the "Boozers," coached by Norm Douzich.

Denis Letourneau and Les Pelletier were awarded trophies for being the "Good Guys" on the team.

Another local team called the "Oldtimers" was then introduced by Raymond Tremblay who, on behalf of the team, presented Louis Le-cavalier and Raymond Brisson with trophies in appreciation for playing on the

team. Andre Coulombe was presented a sum of money for being referee at the local games. A special thanks to Raymond Tremblay for the time and work he put in organizing the games.

The Legal senior team was then introduced by manager Claude Maurier, followed by a few words from coach Remi Cyr. The "best sportsman" trophy, donated by Gerry St. Jean, was presented to Louis Martineau. The team also selected Louis for "top defenceman," the trophy donated by Dan and Louise St. Martin. The "top scorer" award, donated by Legal Motors, was presented to captain Pete Van Brabant. Pete also won the most valuable player award, donated by Legal Hotel. The team presented coach Remi Cyr, manager - Claude Maurier, and equipment manager and timekeeper Gerry St. Jean, with trophies in appreciation for the time and effort they put in. The team also thanks Paul Morin for being timekeeper.

A special thanks was given to all the women who gave their time working in the kitchen this season.

A dance, featuring the "Prad," followed and a good time was enjoyed by all.

SHIRLEY STEINWAND (left) holds the trophy for Ron and Al's Service Ltd., who took first prize in the commercial section of float entries in the Gibbons water carnival. Denise Zellweiger holds the first trophy in the private section, taken by the Gibbons Figure Skating Club.

LEGAL LOCALS

By Lucienne Montpetit
Sincere condolences to Mr. and Mrs. George Frank and family upon the loss of his father Mr. Anderson Frank who passed away on March 28 at the age of 79 years.

April 7 will mark the beginning of the M.F.C. week, there will be mass at

7:30 p.m., followed by the meeting at 8 p.m., at the Rec. Centre.

Mr. and Mrs. Wilfred Lecavalier spent four days touring Arizona as guests of the Revelstoke Company.

The crocheting course will begin on April 10 at the Rec.

Centre at 8 p.m.

You are all invited to a concert to be given in the Church on April 13. This concert is to introduce the new organ that has been purchased. The concert will be given by Mr. Mel Ebel-shauser, organist.

Frontier Daze will feature Fashion Parade

For Morinville's Frontier Daze annual fair, coming up June 21 and 22, costume is urged to dress up in Frontier-type costumes. There will be prizes for several categories for those joining the Fashion Parade on Saturday afternoon, June 21. The Fashion Parade was an integral part of the two-day festivities for several years, and then was given a "rest" for two years. But, for the 1975 "Salute to Agri-

culture" it will be one of the family-oriented events.

With so many new people in and around Morinville there should be some very nice and interesting costumes showing up this year. At least the Frontier Daze committee hopes that all the newcomers will join in the dressing-up. Outfits usually vary from fancy dress Klondike gear, to Western, and on to the Dance Hall feathers and ruffles.

In the actual 'Frontier Years' many of our residents wore their national costumes, and these costumes were very evident during the first several Frontier Daze celebrations in Morinville. The committee would very

much like to encourage residents and visitors to bring out their national dress and enter the Fashion Parade.

Don your fancy duds and enter into the spirit of Frontier Daze 1975 on June 21 and 22.

Gibbons 4h plan achievement day

By Suzie Theroux
On Monday, March 24, the Gibbons 4H Sew and Sews (sewing club) held a meeting at Claude Lamoureux's home. Annette Lamoureux led the pledge. Roll call was any ideas for achievement day. The business was to plan the achievement day. Collette Lamoureux and Suzie Theroux had a demonstration. Collette's demonstration was How to Operate a Zip Black and White Polaroid Camera. Suzie's demonstration was

How to Operate a Bottle Cutter. Lunch was served after the meeting was adjourned.

ACHIEVEMENT DAY

The Gibbons 4H Sew and Sews (sewing club) will be holding an achievement day on Saturday, April 12. It will be held at the Gibbons Community Hall and will take place from 1 p.m. to 4 p.m. There will be a tea. Everyone is welcome to attend.

The 1974 winners of the Family Group prize: Mr. and Mrs. Spike Flannigan and daughter Bonnie.

Namao News

By Norma Crozier

On Sunday, April 6 Namao United Church service will be held in the Community Hall at 11:30 a.m., and will be conducted by the group "Shiloh" led by Lauren Miller. Immediately following the service a pot luck lunch will be served, everyone is invited to attend.

Namao United Church Women invite all interested ladies of the district to attend their spring luncheon in the Community Hall on Wednesday, April 9 at 12 noon. Lunch will be followed by a program with Connie Moores from the Alberta Alcoholism and Drug Abuse Commission. Babysitting will be provided for the afternoon but due to the varied ages of the children the ladies request that you give them their lunch at home.

Get well wishes go to Aubrey Harrold who has

been in hospital and we hope will soon be well again.

Mr. and Mrs. Hugh Crozier and Mr. and Mrs. Bud Horricks have returned from two weeks in the sun of Tahiti with lovely tans. Unfortunately they arrived back with the worst storm of this winter.
